Sunshine O'Donovan, 15, standing far left, received her award for air pistol and air rifle.

## Merritt athlete gets sport excellence award

Merritt's own Sunshine O'Donovan was among the 12 recipients of Monday evening's *Premier's Awards for Aboriginal Youth Excellence in Sport*, presented by Premier Christy Clark in Victoria.

More than 75 nominations were put forward recognizing those who excelled in performance sport, displayed strong leadership qualities, were committed to higher education, and served as community role models both on and off the field of play. The awards were developed in partnership with the Aboriginal Sport, Recreation & Physical Activity Partners Council, made up of the BC Assoc. of Aboriginal Friendship Centres, First Nations Health Authority & Metis BC Nation.

## Pay raises for Mayor & Councillors after 8 years

At last evening's regular meeting, Merritt City Council voted to raise the remuneration for themselves — and indeed anyone who might in future sit in those chairs, effective January 1, 2017.

In 2011, the council of the day decided to hold the line on the 2008 amounts: \$20,000 for the Mayor and \$12,000 for councillors. Now, the pay will be \$25,000 for the Mayor and \$15,000 for councillors. In addition, the remuneration will be increased annually by the same percentage as BC's annual average all-items Consumer Price Index.

Mayor Neil Menard explained that councillors put in "a lot of extra hours" and he believes it was an error that the issue wasn't looked at more often, so that increases would be more incremental.

Last month, staff reviewed the current remunerations of our elected officials, relative to other municipalities of similar sizes, and found that they were lower than the majority.

## Natural gas pipeline upgrades

Spectra Energy takes care of the approx. 80% of BC's natural gas pipelines, and starting next month, they will be upgrading those in our neck of the woods.

Besides basic pipeline maintenance & re-fitting, Merritt area projects include a new, upgraded pipeline under Hwy 8 at Johnny's on the Rez. They will seal the old one & lay a new one below the roadway with barely a road closure. They will also add a compressor at their Kingsvale station, and upgrade a pipeline under the Coquihalla River just outside Hope.

Those jobs will keep them working through the summer in our area.

**One Smart Spider: If you were a spider, you could learn everything on the web.**

**Traffic Court** Recently in Traffic Court, a man who received an expensive parking ticket testified that a uniformed Policeman had given his OK for the man to park there. The Judge asked the man if he would recognize the Officer if he ever saw him again, and the man replied that he would. The Judge then said, "Good. When you see the Officer again, tell him he owes you \$57. Next..."
