MERRITT MORNING MARKET

MONDAY EDITION — APRIL 18, 2016 #2851

News, opinion, community events & classifieds since 1996! Box 2199 Merritt, BC V1K 1B8
T (250)378-5717 F (250)378-2025 market@uniserve.com merrittmorningmarket.wordpress.com

This weekend, Sikhs and guests celebrated Vaisakhi — the Sikh New Year and the founding of the Khalsa Panth, the community of Sikhs — at the Merritt Gurudwara.

Vaisaki celebrated in Merritt

Vaisaki is one of the most important celebrations in the Sikh faith, and in Merritt it is one of the occasions that guests are invited to attend the temple (*gurudwara*) and experience the holiday.

Baisakhi traces its origin from the Baisakhi Day celebrations of 1699 organized by the Tenth Sikh Guru, Sri Guru Gobind Singh Ji, to form the *Khalsa* – Saint Soldiers to fight against tyranny and oppression.

In Sikhism, the belief is in One God and the equality of mankind. Emphasis is on equality and sharing, working hard, and helping others as much as possible – especially those in need.

During Baisakhi, the entire Sikh Scripture — the *Siri Guru Granth Sahib Ji* — is read in 48 hours. The reading begins on Friday morning, continues around the clock and is concluded on Sunday morning, with members of the community each reading for an hour or two, each picking up where the other left off.

Sunday's ceremonies began with *Nishan Sahib Seva* (the Sikh flag ceremony). The flag is lowered, then removed; the flag pole and the Sikh symbol are washed using milk and water, and the new flag put on with prayer and great respect before raising the new *Nishan Sahib*.

At the conclusion of the program, attendees were invited by the Bhangu family to share a traditional vegetarian meal in the Langar (kitchen) Hall.

How I Spell It

TEACHER: Joey, how do you spell 'crocodile'? Joey: K-R-O-K-O-D-I-A-L'
TEACHER: No, that's wrong. Joey: Maybe it is wrong, but you did ask me how I spelled it."

A few amooosing cow jokes

How does a cow become invisible? Camooflage
Why do cows wear bells? Because their horns don't work.
What do you call a cow with two legs? Lean beef.
What do you call a cow with no legs? Ground beef
(These puns are udderly awful.)

THIS WEEK'S HOROSCOPE

 <h3>Aries</h3> <p>March 21 - April 19</p> <p>Everything seems trickier when we are tired. No matter what seems urgent this week, it is even more urgent for you to relax, put worry aside and proceed at your own pace.</p>	 <h3>Taurus</h3> <p>April 20 - May 20</p> <p>There's nothing wrong with uncertainty in your world this week. Remain sure of a few key, vital points and all else will eventually decide itself in a way you are pleased with.</p>	 <h3>Gemini</h3> <p>May 21 - June 20</p> <p>We get caught up in drama and forget life is a blessing regardless of what is happening. The way to ensure the right things happen this week is to appreciate the gift of existence.</p>	 <h3>Cancer</h3> <p>June 21 - July 22</p> <p>It is difficult to feel thankful for something you wish you didn't have. But allow yourself to feel thankful for all you can see as good this week, it will yet make what's tricky so much easier.</p>
 <h3>Leo</h3> <p>July 23 - Aug 22</p> <p>We take each new slight and setback as more proof that the world is a tough place. Yet it isn't. It need not be. Trust what's good this week and it will all soon get even better.</p>	 <h3>Virgo</h3> <p>Aug 23 - Sept 22</p> <p>You can't be sure you are being told the truth or just a point of view. If there is another way to view a situation, don't be talked out of that. Your idea may well be right.</p>	 <h3>Libra</h3> <p>Sept 23 - Oct 22</p> <p>You don't need wealth, power or influence to make a positive impression on someone else's life this week. And doing good will, of course, be good for you, too.</p>	 <h3>Scorpio</h3> <p>Oct. 23 - Nov 21</p> <p>We tie ourselves up in knots when we let our own inner bureaucrats prevent us from exploring experiences we should feel fully free to revel in. Don't do that to yourself this week.</p>
 <h3>Sagittarius</h3> <p>Nov 22 - Dec 21</p> <p>Some of us have more power than we think but we give it away to others or allow our fears and doubts to erode it. Trust in your own this week.</p>	 <h3>Capricorn</h3> <p>Dec 22 - Jan 19</p> <p>You've got a strong feeling about what your next move needs to be. How much more persuasion do you require, this week, before you convince yourself to trust this?</p>	 <h3>Aquarius</h3> <p>Jan 20 - Feb 18</p> <p>Your heart now knows more than you are giving it credit for knowing. Pay heed to the message that it is whispering to you and ignore all else that is so noisy and dramatic this week!</p>	 <h3>Pisces</h3> <p>Feb 19 - Mar 20</p> <p>If you want to avoid making an error this week, address your fear of making an error! Patch up the leak in your bubble, then re-inflate by drawing deeply on your strongest source of faith.</p>
