## Variable speed signs

Last week, 13 variable speed signs on the Coq, between Portia Interchange and the former Toll Plaza, went into effect.

The speed signs will change to reflect driving conditions. Flashing lights above each sign will be active when a reduced speed limit is in effect.

The ministry invested \$12.5 million to install and run the pilot systems, which is part of the ministry's \$25-million per-year Road Safety Improvement Program.

There are also 16 variable speed signs on Hwy 99 between Squamish & Function Junction at Whistler, and 18 signs on Hwy 1 west of Revelstoke between Perry River Bridge & Hwy 23 South interchange.

## The loss of senator Len Marchand

Regional Chief Shane Gottfriedson and the BC Assembly of First Nations would like to express our profound sorrow and heartfelt condolences on the loss (Fri., June 3rd) of Senator Len Marchand, at age 82.

We wish to pay tribute to this great man who has achieved, in his lifetime, enormous accomplishments, including being one of the first Aboriginal students to enroll at UBC, the first First Nations man elected to Parliament (for Kamloops-Cariboo), the first appointed to serve as Cabinet Minister. Appointed to the Canadian Senate in 1984, Len Marchand's contributions to advancing Aboriginal issues at the local, provincial, and federal levels cannot be understated: today we lost an outstanding advocate and an inspiration to Aboriginal peoples across Canada.

Sen. Marchand's achievements are testimony to how one man, through sheer courage and tenacity, can rise up to the challenge and make a difference in the lives of Aboriginal peoples and countless others across the country.

His charisma, kindness, and compassion left an indelible impression on all who were fortunate to meet him. Sen. Marchand's legacy reminds us of the work we must continue to do, the issues we must continue to advance, and our values that we can never take for granted. First Nations communities will forever draw inspiration from Sen.

Marchand's lifelong and selfless dedication and efforts to promote a culture of peace, justice and reconciliation.

— Regional Chief Shane Gottfriedson,  
BC Assembly of First Nations

**First and Next** A widow recently married a widower. Soon after the marriage she was approached by a friend who laughingly remarked, "I suppose, like all men who have been married before, your husband sometimes talks about his first wife?" "Oh, not any more, he doesn't," the widow replied. "What stopped him?" "I started talking about my next husband."

## THIS WEEK'S HOROSCOPE

**Aries**

March 21 - April 19

Make sure this week that you use your 'heat' wisely and in moderation. You don't want to have to wear oven gloves when you're using the toaster!

**Taurus**

April 20 - May 20

Better to know what you want, prepared to take the correct path, rather than be surprised by the next turn, swerving, all indicators and horns!

**Gemini**

May 21 - June 20

Take some time this week to work out what you most want to get from this expedition. It'll help you to bring the goods home.

**Cancer**

June 21 - July 22

Your heart is often full to the brim with emotions and commitments. It's time to let go gently and make room for the future.

**Leo**

July 23 - Aug 22

Don't be out-foxed at the outset. Keep up with your quarry and you'll soon have a rich new seam of emotional connection to others!

**Virgo**

Aug 23 - Sept 22

Don't take anything personally. You had just better put your emotions to one side and trust that something clever will come to mind.

**Libra**

Sept 23 - Oct 22

Sometimes you care too deeply. This week, take a risk. There's a spark in you that is worth sharing.

**Scorpio**

Oct. 23 - Nov 21

This week you may be tempted by something. Think about what you want and if immediate gratification is conducive to your wider aspirations.

**Sagittarius**

Nov 22 - Dec 21

This week the sky is full of possibilities. It's up to you whether you turn them into opportunity or anguish. Make a positive choice.

**Capricorn**

Dec 22 - Jan 19

Now, the burden is easing. But you still need to shift your perspective a little. It might be that you need to set your sights on a new ambition.

**Aquarius**

Jan 20 - Feb 18

Sometimes, you can be your own worst enemy. Aquarians are proactive and protective. This week try to ask questions first and shoot later.

**Pisces**

Feb 19 - Mar 20

Chaos & confusion are ready to come in at any moment, it doesn't have to be scary. It can be exciting. Embrace the unexpected and you'll take it in your stride.

## Help host a Syrian refugee family

If suitable housing could be found, Merritt would be considered to host a government-sponsored refugee family. Looking to a 3-bedroom house within city limits, reasonable rent. If the housing can come together, organizers would then be looking for donations of furniture, household items, etc. If you can help out with housing, contact Becky (250)525-0035.
