Are You Reading That? I was on the subway, sitting on a newspaper when a guy comes over and
asks, "Are you reading that?" I didn't know what to say. So I said, "Yes." I then stood up, turned
the page, and sat down again.

Clear Communication In a software design meeting, we were using typical technical jargon to dis-
cuss a data exchange interface with a vendor. One co-worker said the programming we had or-
dered was delayed because the vendor was suffering from a "severe non-linear waterfowl issue."
Curious, the team leader raised his eyebrows and asked, "What exactly is that?" The programmer
replied, "They don't have all their ducks in a row."

Help host a Syrian refugee family

If suitable housing could be found, Merritt would be considered to host a government-sponsored refugee family. Looking to a 3-bed-room house within city limits, reasonable rent. If the housing can come together, organizers would then be looking for donations of furniture, household items, etc. If you can help out with housing, contact Becky (250)525-0035.
