**Bass Coast is golden** This year, with a sold-out event, the gold-themed party started early as 1000 early-arrivers descended onto the festival site yesterday. Gourmet food trucks & vendors were open for business last evening even as organizers and artists put on the last 30% of finishing touches. Light & sound will make magic in the beautiful aspen copse along the Coldwater River, again, for the fourth year of Bass Coast.

## Hitting the big time DIY

Sisters Cindy Moyes & Laurie Turmel should be awarded 'entrepreneurs of the year' or some such, for their huge and growing success in the Do It Yourself industry.

As the sole Canadian distributors of *Plaster Paint*, they've tapped into a booming industry of upcycling & refurbishing old furniture. They mix & package the chalk paint product at their Lower Nicola location then ship it across the country to a rapidly-growing network of 40+ retailers. And they've recently expanded their line with new products and peripheral paraphernalia.

The big news is their new relationship with *The Marc + Mandy Show*, the successful Canadian home decor & DIY magazine & tv channel.

And the paint is only half the story. The back-story starts with their successful *Lookin' Nice Twice Home and Garden* facebook page, where members buy & sell vintage & antique items. And the story continues with *Miss Georgia's Style*, the moving of a heritage house, the filling of it with fantastic DIY shabby chic furnishings, and a regular spot on the local Shaw Cable. The Cindy & Laurie story will no doubt continue...

### Mirror Vintage pop-up market

*Miss Georgia's Style* will join Mirror Vintage this weekend for a pop-up market, along with Farmhouse Bliss, the Mushroom Lady and others. Saturday, 10am-5pm at 1798 Voght St.

## THE GLOBAL GOALS For Sustainable Development

**8** DECENT WORK AND ECONOMIC GROWTH

**Promote sustained, inclusive & sustainable economic growth, full & productive employment & decent work for all**

"People were poor not because they were stupid or lazy. They worked all day long, doing complex physical tasks. They were poor because the financial institution in the country did not help them widen their economic base" — Muhammad Yunus

**TARGETS** • Sustain per capita economic growth in accordance with national circumstances and at least 7% gross domestic product growth per annum in the least developed countries

• Achieve higher levels of economic

productivity through diversification, technological upgrading and innovation, including through a focus on high-value added and labour-intensive sectors

• Promote development-oriented policies that support productive activities, decent job creation, entrepreneurship, creativity and innovation, and encourage the formalization and growth of micro-, small- and medium-sized enterprises, including through access to financial services

• Improve progressively, through 2030, global resource efficiency in consumption and production and endeavour to decouple economic growth from environmental degradation, in accordance with the 10-year framework of programmes on sustainable consumption and production, with developed countries taking the lead

• By 2030, achieve full and productive employment and decent work for all women & men — young people & persons with disabilities — and equal pay for work of equal value

• By 2020, substantially reduce the proportion of youth not in employment, education or training

• Take immediate and effective measures to eradicate forced labour, end modern slavery and human trafficking and secure the prohibition and elimination of the worst forms of child labour, including recruitment and use of child soldiers, and by 2025 end child labour in all its forms

## Help host a Syrian refugee family

If suitable housing could be found, Merritt would be considered to host a government-sponsored refugee family. Looking to a 3-bed-room house within city limits, reasonable rent. If the housing can come together, organizers would then be looking for donations of furniture, household items, etc. If you can help out with housing, contact Becky (250)525-0035.
