Help host a Syrian refugee family

If suitable housing could be found, Merritt would be considered to host a government-sponsored refugee family. Looking to a 3-bed-room house within city limits, reasonable rent. If the housing can come together, organizers would then be looking for donations of furniture, household items, etc. If you can help out, please contact Jacqueline on (250) 936-8585.

Gun bust after attempted hit & run

RCMP arrested a 44-year old man and recovered 6 firearms — including a loaded handgun — after an incident on the Coquihalla near Merritt last Thursday morning. Police attending the scene found the weapons in the vehicle. The suspect is expected to face a number of charges.

Police say they had reports of an erratic driver and an attempted hit and run. Apparently the man was detained at the scene by a witness.

Community Historic Murray Church

There will be a worship service at Historic Murray Church, Sunday July 31 at 10:30am. Everyone welcome to join the congregation of Trinity United Church at the service.

Murray Church was built in 1876, located next to the gift shop on Nicola Ranch, Hwy 5A. FMI 378-5735.

Calling all shutterbugs!

Capture your favourite moments in provincial parks this summer for a chance to have your photo featured by BC Parks. To celebrate their arrival on Instagram, BC Parks is looking for beautiful, adventure-inspiring and fun-filled photos from park visitors throughout the province. Whether it's camping at your favourite spot, hiking with your family or enjoying a magical sunset, BC Parks wants to see your favourite shots.

Every week, the province will share a 'BC Parks Fan Photo' on its Instagram account, @yourbcparks. For your shot to be considered, simply tag BC Parks and use the hashtag #BCParks. Then be sure to follow! To find a provincial park near you, please visit: www.bcparks.ca

Tight vote at Birch Isl.

The TNRD tallied the results of a survey of residents of Birch Island (near Clearwater) to gauge appetite to have trainwhistle blowing discontinued. Of the 51 completed surveys received, 25 said they wanted whistle blowing to stop, while 26 were in favour of allowing the train whistling to continue.

The survey, which was mailed out May 31, asked the respondents to check one of two boxes, one of which said, "Stop train whistling at Birch Island Mile 60.2," and the other, "Continue train whistling at Birch Island Mile 60.2."

The deadline to receive surveys was Thursday, July 14, at noon. Surveys were mailed to residents within a 2,200-metre radius of the Birch Island Mile 60.2 controlled rail crossing.

Based on the result, the process to have train-whistle blowing stopped will not move forward. But the vote appears to leave neighbours deeply divided.

The Golf Beginner

A retiree was given a set of golf clubs by his co-workers. Thinking he'd try the game, he asked the local pro for lessons, explaining that he knew nothing whatever of the game. The pro showed him the stance and swing, then said, "Just hit the ball toward the flag on the first green." The novice teed up and smacked the ball straight onto the green, where it stopped inches from the hole. "Now what?" the fellow asked the speechless pro. "Uh... you're supposed to hit the ball into the cup," the pro finally said, after he was able to speak again. "Oh great! NOW you tell me!" said the beginner.

THIS WEEK'S HOROSCOPE

Aries

March 21 - April 19

There is a sense that something is due to come back to earth with a bump. Rethink your philosophy. If you position yourself just right, you can bring about a bounce in the right direction.

Taurus

April 20 - May 20

When there aren't troubles, we invent them, and make them bigger than they really are. No matter what is worrying you, it isn't going to eat you alive - unless you let it!

Gemini

May 21 - June 20

Your sense of playful ingenuity will see you through. All sorts of accords will be created in your mission to deliver. This week, think on your feet and you'll find room to manoeuvre.

Cancer

June 21 - July 22

When we feel like we've lost, or been given a raw deal, perhaps we are just looking at the wrong hand. Look at the bigger picture this week; you're moving in the right direction.

Leo

July 23 - Aug 22

Don't resign yourself to accept difficulties. The very fact that your heart can turn sour proves that it can be sweetened again. This week, stir in a little sugar for your soul.

Virgo

Aug 23 - Sept 22

Life is the accumulation of tasks & responsibilities. You'll soon start to feel at your most capable, so be grateful for the opportunity to fix so many issues.

Libra

Sept 23 - Oct 22

This week, look on a challenge as an opportunity. Fight back the part of you that wants to say, 'Oh no', and say, 'Oh yes!' instead. Try to enjoy the uncertainty. That will help in so many ways.

Scorpio

Oct. 23 - Nov 21

You may end the week with a different perspective than you started it. The vision of how you see your role will change. But it's up to you to define the tint of your spectacles.

Sagittarius

Nov 22 - Dec 21

It's important to ask: 'Am I now being creative? Or am I pursuing an emotional goal? Is it both?' Whatever it is, a breakthrough may be nearer than you realize.

Capricorn

Déc 22 - Jan 19

Several factors in your life at the moment you feel are indispensable. Having them shaken could alter the perspective that informs your decisions. But you're stronger than you realize

Aquarius

Jan 20 - Feb 18

A situation has reached the point of no return and something has got to give. Be ready this week, if not for action, then at least to be a part of the plan.

Pisces

Feb 19 - Mar 20

For emotional stability, we take pride not in our possessions but in what we keep in our hearts! Life will soon offer you an inner upgrade. To install, be more inspired & less reactive.

THE GLOBAL GOALS

For Sustainable Development

15

LIFE ON LAND

"We owe it to ourselves and to the next generation to conserve the environment so that we can bequeath our children a sustainable world that benefits all."

—Wangari Maathai

TARGETS •

By 2020, ensure the conservation, restoration & sustainable use of terrestrial and inland freshwater ecosystems & their services, in particular forests, wetlands, mountains & drylands, in line with obligations under international agreements

• By 2020, promote the implementation of sustainable management of all types of forests, halt deforestation, restore degraded forests and increase reforestation globally

• By 2030, combat desertification, restore degraded land and soil, including land affected by desertification, drought and floods, and strive to achieve a land degradation-neutral world

• By 2030, ensure the conservation of mountain ecosystems, including their biodiversity, in order to enhance their capacity to provide benefits that are essential for sustainable development

• Take urgent and significant action to reduce the degradation of natural habitats, halt the loss of biodiversity and, by 2020, protect and prevent the extinction of threatened species

• Promote fair & equitable sharing of the benefits arising from the utilization of genetic resources and promote appropriate access, as internationally agreed

• Take urgent action to end poaching and trafficking of protected species of flora and fauna and address both demand and supply of illegal wildlife products

• By 2020, introduce measures to prevent the introduction and significantly reduce the impact of invasive alien species on land and water ecosystems and control or eradicate the priority species

Protect, restore and promote sustainable use of terrestrial ecosystems, sustainably manage forests, combat desertification, and halt and reverse land degradation and halt biodiversity loss
