New, ‘class A’ rest area at Loon Lake

Monday, Minister of Transportation and Infrastructure Todd Stone announced that a new, modern rest area will be built between Merritt and Kelowna on the Okanagan Connector, providing a safe, and convenient place for the commercial trucking industry and tourists to stop and rest along this stretch of highway.

The announcement comes following results of a January 2016 survey that found truck drivers want more rest areas, better rest areas and the addition of commercial services, like convenience stores, fuel and shower facilities.

The provincial gov’t will commit an additional \$9 million in funding to upgrade existing rest areas around the province, and ensure that new rest areas, such as this one at the Loon Lake Interchange on Highway 97C, will be built to a modern standard with running water, flush toilets and ample room for commercial trucks to park. Upgrades to existing rest areas include upgrades to washroom facilities, lighting improvements, more picnic tables, and improving accessibility.

Access improvements will be made to the existing Loon Lake interchange, including the construction of a new access road to the rest area.

The rest area will offer separate parking areas for passenger vehicles and large commercial traffic. It has also been designed to support the potential future development of services and upgrades such as car charging stations and WiFi.

Construction is anticipated to begin in Spring 2017 and scheduled for completion in late fall.

‘Homeless Connect’ volunteers & donations needed

The ASK Wellness Society is seeking compassionate community member volunteers who are interested and available to participate in a homeless count survey on October 6, between 8:30am & 2pm during their 7th annual Homeless Connect. The purpose of the event is to identify and connect with our community’s marginalized population so that service providers and community members can better understand, more effectively help and address the needs of our homeless population. All volunteers will need to attend a mandatory training session on October 5.

They are also seeking clothing, food, hygiene products, and financial donations for their *Homeless Connect*. FMI on how to donate or sign up as a volunteer, contact the ASK Wellness Society, 315-0098.

Fall equinox

Fall equinox — first day of Fall — is on Thursday, September 22, at 7:21am.

Plum fruit leather

Preheat oven to 400° F.
Wash, cut in half and pit the plums. Lay halved plums out on rimmed cookie sheets with cut side up & place in oven for 20 min. Check every 5 mins to avoid burning.
After 20 mins, remove from oven and let cool. Using blade attachment in the food processor, blend plums until smooth and pour finished mixture into a large bowl.
Add ¾ cup sugar to blended plums and stir well. Line rimmed baking sheet with parchment paper covering the walls of the baking sheet as well. Pour the purée in to about an ⅛" to ¼" thickness.
Let dry in the oven (on low, 140°F) for as long as it takes for the purée to dry out and form fruit leather, about 6-8 hours, depending on the thickness. The fruit leather is ready when it is no longer sticky and has a smooth surface.

An Extra 'B' A man went in to a restaurant and ordered alphabet soup. The man's alphabet soup was in front of him when a bee went inside. The man cried out, "Waiter, Waiter, there's a bee in my alphabet soup!" The waiter said, "Yes, sir, and I believe all the other letters are there too."
You Must Be A Visionary Two boys were fishing on the bank of a river. The one boy remarked that being a visionary must be very difficult. He went on to say much more and added that visionaries are seldom understood in they're life time. The other boy replied, "Then you must be a visionary, cause I have no idea what you're talking about!"

Celebration of Life Vi Yates

Nov. 29, 1915 - June 6, 2016
Come join the family for a Celebration of Life Tea to be held Saturday, September 24 at 2pm at Merritt Seniors’ Centre.

THE GLOBAL GOALS For Sustainable Development

#GLOBALGOALSWEEK

SEPTEMBER 18 - 24, 2016

In September 2015, 193 world leaders agreed to 17 Global Goals for Sustainable Development. If these Goals are completed, it would mean an end to extreme poverty, inequality and climate change by 2030.

Our governments have a plan to save our planet... it's our job to make sure they stick to it.

The Global Goals are only going to work if we fight for them and you can't fight for your rights if you don't know what they are. We believe the Goals are only going to be completed if we can make them famous.

The 18th – 25th September 2016 is #GlobalGoals week – a week where our world leaders have the chance to start making these Goals a reality.

Join us this week to make as much noise about the Global Goals as possible, to tell our world leaders to stick to their promises and to get the job done.

The Global Goals have the potential to end poverty, inequality and climate change, but they're only going to be completed if we raise our voices.

On #GlobalGoals week we want to make as much noise about the Global Goals as possible in order to remind our world leaders to stick to their promises and all we need you to do is SHARE!

You can't fight for your rights if you don't know what they are so we're on a mission to tell everyone that this is the plan to make our world a better place.

Follow On: Twitter: @TheGlobalGoals
