New Centre of Excellence in Sustainability

\$8.9-million investment at NVIT

NVIT President Ken Tourand on behalf of the Honourable Navdeep Bains, Minister of Innovation, Science & Economic Development, and Fraser-Nicola MLA Jackie Tegar on behalf of Andrew Wilkinson, Minister of Advanced Education for the Province of BC announced \$8.9-million investment in NVIT on Friday afternoon.

\$6.9 million is being provided by the Govt of Canada, and \$2.0 million by the Prov of BC, for the construction of a new Centre of Excellence in Sustainability.

The new building will provide innovative lab space, demonstrate solar and geo-exchange technologies, and house a new teaching kitchen and greenhouse.

The project will support a new culinary arts program, as well as expand upon current and new activities within NVIT's trades, environmental resources technology, and law enforcement preparation programs. And a gymnasium & fitness centre.

The project will create approximately 36 direct and 21 indirect jobs during construction, which will get underway shortly with substantial completion expected by spring 2018.

"Environmental accountability and sustainability is a priority of our learners and their communities. NVIT's new learning facility connects everything from traditional food production and preservation to culinary teachings as well as innovative and flexible lab spaces that support immersing clean technology into all aspects of daily living. This investment from our federal & provincial governments assists in positioning NVIT's learners to participate in the emerging green technology economy," said president of NVIT Ken Tourand.

Editor: No doubt the next big announcement will be the unveiling of the winning architect's concept design. Looking forward to another impressive new architecturally-designed building for NVIT & our community.

Apologies...

The NVCAC Board regrets the actions of a few people, who, after Thursday's Arts Council AGM, abused the McLeods through phone calls, social media and property damage. Really, people? That kind of behaviour is extremely disappointing and cannot be tolerated.

As well, the Board wishes to acknowledge the dedication and hard work of the departing Board members, Don McLeod, Chris Dooley, Bill Edmonds, Sylvia Gillespie, and Suzie Ireland.

The 2016/17 Board of Directors for the NVCAC are: Jane Bartle, Shannon Dunn, Etelka Gillespie, Jean Kiegerl, Mil Jurisic, Herman Nels, Catherine Osborne, Tammy Steen and Chelsea Werrun. Regular meetings will be held on the 3rd Wednesday of the month at the Courthouse Art Gallery, starting in January. —JdW

Exercise Hater One of my friends hates exercise. To her, getting up in the morning is a moving violation. The only exercise she get is pushing her luck, stretching the truth, and jumping to conclusions. Although, she has been known to carry a grudge.

Smart Eyes A first-grader came to the ophthalmology office where I work to have his vision checked. He sat down and I turned off the lights. Then I switched on a projector that flashed the letters F, Z and B on a screen. I asked the boy what he saw. Without hesitation he replied, "Consonants."

THIS WEEK'S HOROSCOPE

Aries

March 21 - April 19

We get so caught up in fighting our battles, nothing else matters. When someone asks 'Why are you doing this?' we feel annoyed. But, it's a question worth asking...

Taurus

April 20 - May 20

In a sensitive area of your world, you'll feel that justice is being done. As weight is lifted from your shoulders, it's an opportunity bring about a more just situation for someone else.

Gemini

May 21 - June 20

We can't conclude that something is automatically fine just because it seems that way. Time to let go of your fears, and trust that you really do know what's good for you.

Cancer

June 21 - July 22

Consider the possibility that you have an enemy in a broader sense; not a person but an expectation that's working against you. Understand it and you can defeat it.

Leo

July 23 - Aug 22

A situation has become uncomfortable & unnecessarily tense. Don't do more of what's already not working well. Do something unexpected — offer an olive branch. Reach for harmony!

Virgo

Aug 23 - Sept 22

You're not about to be handed all you want on a plate, but there's some space at the preferable end of the buffet. The solstice brings experiences to enjoy and savour.

Libra

Sept 23 - Oct 22

Your current perception of time needs to change. Don't let the past bind you to an unchangeable future. See your situation in a different way and it will turn out differently.

Scorpio

Oct. 23 - Nov 21

Saying, 'all the right things' won't necessarily get you all the right results. But saying wrong things may help to bring valuable clarity. It's OK to be wrong for the right reasons!

Sagittarius

Nov 22 - Dec 21

Recently, you had something to celebrate. Now you can't remember why it seemed so exciting. You get an inspiring reminder of what's good; and a glimpse of your next, exciting adventure.

Capricorn

Dec 22 - Jan 19

Some things matter; and your choices matter too. Lucky for you then, with the Solstice, and the Sun in your sign, you're coming to the height of your powers.

Aquarius

Jan 20 - Feb 18

Just because we can find fault — in ourselves & with others — easily, we aren't correct when we do. This week, don't point fingers, and don't let them point at you.

Pisces

Feb 19 - Mar 20

You're you, and right now, it's especially good. You can take action based on what only you know & understand. Be confident that your decisions will be good ones.
