Nat'l Non-Smoking Week

Jan. 15-21, 2017

National Non-Smoking Week has been observed since 1977, and is one of the longest-running public health events in Canada's history. With supports provided through quitnow.ca, there's no better time to get ready to quit.

The program now also has more product choices — people trying to quit can choose between nicotine gum, lozenges, an inhaler or the patch, in addition to prescription drugs. 234,500 British Columbians have used the BC's Smoking Cessation Program to try and quit.

Visit www.quitnow.ca for info, tips, & free coaching from a trained quit coach.

Come Read With Me

Times have changed and learning to read strategies have too. Remember phonics? Threw, you, glue, to, too, two: 1 sound, 6 spellings. In fact, 40-50% of English language words cannot be sounded out. *Come Read With Me* introduces current fluency strategies to parents of grade one students to support their young readers as they move from learning to read — to reading to learn.

"Fiona Clare is one of the literacy experts who developed *Come Read With Me* in response to requests from parents who had heard of the great results from the *One to One Reading Program*, and wanted to learn the same techniques to use with their children at home. We are thrilled to have Fiona facilitate the first ever *Come Read With Me* session for Merritt & the Nicola Valley. If there is interest from parents, we plan to implement the program here," says Kelly Reid, Literacy Outreach Coordinator, Literacy Merritt & Nicola Valley.

Reading is about thinking. Parents will learn how to read for meaning with their child at home. They will be taught the best way for their child to choose a book, read a book, and understand what they are reading.

All grade one students and their parents/caretakers are invited to attend the launch session on Mon., Jan. 23, 5:30-7pm at the Civic Centre. Please register at literacymerritt@gmail.com, or 250-378-7844.

Ballet Kelowna, Vancouver's Arts Umbrella Dance Co., & Alberta Ballet II. The artists will perform 4 distinct works that will delight audiences of all ages including *Dénouement* originally commissioned by Karen Kain, Artistic Director of the National Ballet of Canada, created by choreographer and director Matjash Mrozewski; *Doppelgänger* by Ballet Kelowna's Artistic Director & CEO Simone Orlando; *Don Quixote Variations* by Edmund Stripe, Choreographic Associate & Artist-in-Residence at Alberta Ballet; and *The Fiddle and The Drum*, a well-known work from a joint venture by Joni Mitchell & Alberta Ballet's Artistic Director Jean Grand-Maître. Honest George Little Johnny's teacher asks, "George Washington not only chopped down his father's Cherry tree, but also admitted doing it. Do you know why his father didn't punish him?" Little Johnny replies, "Because George was the one holding the axe?"

THIS WEEK'S HOROSCOPE

Aries
March 21 - April 19

We all have to stand back sometimes from our feelings & fulfil our obligations without fear or favour. Life presents you with a social and moral imperative to put honour before passion.

Taurus
April 20 - May 20

Kindred spirits can help you make the best of a tricky situation. It may just take an adjustment to what you already know. And, you'll be able to do more than just 'get by'.

Gemini
May 21 - June 20

If it feels like someone is redacting key details, you can still make sense of the story. Be creative when filling in the details! The plot holes won't keep you from reaching the conclusion you desire.

Cancer
June 21 - July 22

Your relationship with a key person is evolving. It's reaching the next stage. Give someone's heart the room it needs to grow. The bigger it gets, the more room it has inside for you.

Leo
July 23 - Aug 22

Sometimes we think we know what to expect. What are you to make of the signs and signals you seem to be getting? If you're going to read anything between the lines, read hope.

Virgo
Aug 23 - Sept 22

This week, see a problem for what it is. Don't allow the past to cloud your judgement in the present. History isn't repeating itself. It's just correcting your course.

Libra
Sept 23 - Oct 22

Why is a particular wheel squeaking? Is this indicative of other problems in less immediately apparent places. Review the situation, then you can proceed with confidence at last.

Scorpio
Oct. 23 - Nov 21

This week, if you find progress is slow, don't give up. A creative approach to the use of your resources will bring the long-term gains you desire.

Sagittarius
Nov 22 - Dec 21

We often suspect that others are out to trick or cheat us. But this week, a seemingly hopeless situation in your life is actually full of positive potential.

Capricorn
Dec 22 - Jan 19

Marshal your resources into a focused, precise point. With a well-planned, meticulously executed move this week, you can set your aim and reach a satisfying goal.

Aquarius
Jan 20 - Feb 18

The hunch you've got, the vision you're seeing, the guess that you're making, will turn out to be true. So if your premonitions don't please you, just imagine another outcome instead!

Pisces
Feb 19 - Mar 20

It takes training, tactics & application to channel emotions into performance enhancers. If you take time, and structure your energy efficiently, there's no title you can't compete for.
