## Hockeyville 2017

Callie Langlois is again enthusiastically endorsing that we all nominate the Nicola Valley Memorial Arena, in the annual Kraft Hockeyville. It's easy, just go to khv2017.ca and post your nomination. "Our grads have their ceremony there and could use a new sound system plus other upgrades!!", she posted.

For the past 11 years, Kraft Hockeyville has held their contest to build community & celebrate the future of hockey in Canada. At stake is the opportunity to host an NHL pre-season game, receive \$100,000 in arena upgrades, and claim the title of Kraft Hockeyville 2017.

Nominations close Feb 5, and they announce the top 10 communities that will vie for the prize on March 4.

## AEDs for Beaver Point community

Dr. Ken Tekano and Evelyn Paterson, who live out at Beaver Point on Nicola Lake, have helped to create an AED (automated external defibrillator) program for the group of about 20 cottages & homes.

"On a great day we are at least half an hour from emergency assistance, which is not compatible with life if you have a sudden cardiac arrest," says Dr. Tekano.

So they decided to do something about it. They purchased 3 AEDs, and won another from the company who helped set up the equipment & training, Iridia Medical.

"We encourage any group thinking about getting an AED to do so right away. Time is of the essence in saving a life", says Evelyn.

February is Heart Month in Canada. Approximately 40,000 cardiac arrests occur each year across the country and most of these happen outside of hospitals.

## French Immersion Celebration Wk in BC January 30 to February 5, 2017

In Merritt, a small group of dedicated & enthusiastic parents rallied for French Immersion in the late 1970s-early 1980s, and Collettville School hosted the program along-side the English stream at first. In the early 2000s, it became a fully French Immersion school.

Students study the same curriculum as in the English-language program, except the language used in the classroom is French. They become bilingual while developing cultural understanding and critical and creative thinking skills.

Over the past 10 years, French Immersion enrolment in BC has increased by almost 30% in public schools. Over 53,000 students are currently enrolled in French Immersion schools, both public and independent, throughout the province. And demand continues to rise.

**The Longest Sentence** One friend says to another, "Did you know that the shortest sentence in the English language is 'I am'?" "Really?" replies the other. "What's the longest sentence?" "I do."

**The Painless Dentist** When a new dentist set up in town he quickly acquired a reputation of being the 'Painless' dentist. However, a local little girl called Veronica disputed his claim. "He's a fake!" Veronica told her friends. "He's not painless at all. When he stuck his finger in my mouth, I bit him, and he screamed like anyone else!"
