In memoriam Gloria Frank Apr 4, 1942 - Feb 27 2015

In memory of Gloria Margaret Pearl Frank. Like the wind in the willows you touch our beings, even though you're gone from us.

We remember you and hold you close.
May you know everlasting peace & serenity.

With love, your Family

Thank you

...for all your donations to the Kelowna Cancer Lodge. We have sent a very large box of soaps, mugs and other small donations, etc. over to Kelowna. The Lodge is so very grateful for all our donations.

The can tabs are mounting up maybe by the summer there will be enough. We have purchased several wheelchairs with the money from can tabs. We are sure the hospital can always use more chairs and are greatly appreciated. If you should have can tabs or soaps, shampoos, etc. you can call 378-6588 or drop them off at the Nicola Valley Hospital Thrift Shop. Thank you so very each everyone of you.

Thank you, *Allan and Ruth Steffens*

Local Canada 150 celebrations planned

There has been a group of people meeting for the past month or so, discussing upcoming events happening during 2017. These events have been posted on www.tourismmerritt.com, the official Tourism Merritt website.

Red and white are the colours for this year. For those businesses that have planters in the downtown core it, would be very nice to see lots of red and white.

Everyone is welcome to attend the next Canada 150 meeting, Civic Centre March 1, 1pm.

Nicola Valley Farmers' Market AGM Tuesday, March 21st at 6pm at the Civic Center, Room 2. The meeting will run for about an hour. FMI 378-2124.

I walked into an antique store and said "what's new?" The guy threw me out.

Q: Is Google male or female? A:Female, because it doesn't let you finish a sentence before making a suggestion! Alternate A: Male, because it doesn't do anything unless asked.

THIS WEEK'S HOROSCOPE

Aries
March 21 - April 19

You become aware of your strengths, and how you can make the most of them. These discoveries may be triggered, at least in part, by new realisations about someone you know.

Taurus
April 20 - May 20

If you feel uncomfortable, ask yourself whether it's the situation that's not right, or if you're not right for the situation? By starting to honour your individuality, you'll find harmony.

Gemini
May 21 - June 20

If you discover that someone's trying to sell you a bill of goods, look beyond the facade of your current situation. Investigate thoroughly before you make your investment.

Cancer
June 21 - July 22

Now is a time when 'what you want' and 'what you need' are aligned. Though you may not realize, a process begins this week that has the potential to be gratifying & rewarding.

Leo
July 23 - Aug 22

You've been stuck in a difficult-to-resolve situation, and lacked the facts to make the moves you've wanted to. This week, the information you need is on its way.

Virgo
Aug 23 - Sept 22

Life doesn't have to be just extremes, there's room to be quixotic without being irresponsibly ungrounded. Try giving the seemingly impossible a chance to flourish.

Libra
Sept 23 - Oct 22

You want something and are doubtful whether you can have it. Anything can change. Be as generous to yourself as you are to others, and you can get what you deserve.

Scorpio
Oct 23 - Nov 21

This week, changes will help you regain control of your environment. Be creative. There's a new way to approach a perennial problem, and the result will be satisfying.

Sagittarius
Nov 22 - Dec 21

There are times when just coping becomes unacceptable. Big choices have to be made. Truths dawn on us and priorities become clear. This is one of those times.

Capricorn
Dec 22 - Jan 19

If given the chance to prove yourself, there's little you can't accomplish. Here's your moment. Time to renegotiate your role based on your current abilities rather than old ones.

Aquarius
Jan 20 - Feb 18

You'll see something that seems obvious the moment you recognize it, yet it previously appeared totally different. This new understanding can help you gain great strength.

Pisces
Feb 19 - Mar 20

Take care not to travel too fast this week, as your best opportunities could pass by too quickly. But if you remain in control, there's no journey that's a step too far.
