What do YOU want to see for Canada 150?

The City of Merritt is interested in hearing from the community on what they would like to see for Canada Day.

They have set up an online survey, for your suggestions. Check it out at: www.merritt.ca/canada-150-survey

TNRD supports Comm. Arts Council

For the first time in years, the Thompson-Nicola Regional District has presented the Nicola Valley Community Arts Council with \$3000. The funds will be used to support this year's programming including Art in the Park, Art Walk, Music Programming and new initiatives.

"We are grateful to the Thompson-Nicola Regional District for this support. Our new board is looking forward to using the funds for supporting and fostering creativity in the Nicola Valley," said NVCAC President Chelsea Werrun.

Fourth Quarter

My husband, a big-time sports fan, was watching a football game with our grandchildren. He had just turned 75 and was feeling a little wistful. "You know," he said to our grandson, "it's not easy getting old. I guess I'm in the fourth quarter now." "Don't worry, Grandpa," Our grandson said cheerily. "Maybe you'll go into overtime."

THIS WEEK'S HOROSCOPE

Aries March 21 - April 19 Your mission is to find a way to accurately read and understand the information you're receiving. But, you can't just be logical. There are emotional issues involved.	Taurus April 20 - May 20 No matter what's been spoiling your appetite lately, life now begins to taste sweet. And, if you're willing to try a new sensation, things really can turn out to be sensational!	Gemini May 21 - June 20 You may be able to act as if all is straightforward, but your thoughts are in a jumble. But you can untangle a messy mindset. Go slowly, strand by strand, and you'll feel far better.	Cancer June 21 - July 22 Sometimes a little pause for breath is all we need in order to realize how different our life can be. This week, take the time to reflect. A new day dawns, but at its own pace.
Leo July 23 - Aug 22 This world is full of things to worry about, but you don't need to worry this week. The New Moon suggests things can start turning out better than 'all right'!	Virgo Aug 23 - Sept 22 Time to revisit a change in your life that isn't as permanent as you had once thought. It brings an opportunity, and you'll gain insight to progress to the next level.	Libra Sept 23 - Oct 22 It seems as if life has been less than fair, and you must deal with circumstances that you resent. Rise above it! Accept, trust and prepare for a week that brings surprisingly deep joy.	Scorpio Oct. 23 - Nov 21 Don't be afraid of your passion. You're not losing control, it's a powerful asset. If you want to deepen your connection to someone, you just have to try once more, with feeling.
Sagittarius Nov 22 - Dec 21 Each of us has been on a series of great adventures, but one person's life hasn't meant more (or less) than any other's. You're dealing with something unique, and you'll handle it well.	Capricorn Dec 22 - Jan 19 Some things are beyond your control. Instead of fretting, celebrate a newly rejuvenated talent for improvisation. Adapt to this challenge, and you may even begin to relish it!	Aquarius Jan 20 - Feb 18 This week, if you carefully revisit the evidence, you'll begin to understand a matter that's been baffling you. You'll begin to see the secret. Everything will become obvious.	Pisces Feb 19 - Mar 20 Even if your wires are crossing, you can find a new way to communicate an important message. Just let your heart, and not your head, do the talking.
