Casting call for 'Indian Road Trip'

Filming will take place in and around Merritt May 23 – June 2, for Indian Road Trip, which was delayed last fall by bad weather.

They are looking for several roles, and asking for heads shots, contact info and resume to be emailed to Hayley Gray, Casting. Only some will have a "demo reel" so a video of yourself can be a link to Vimeo or YouTube channel, or a .mov or .mp3 or .mp4 attached to email. Applicants must be legal to work in Canada.

There may be a speaking role casting session in Merritt Saturday April 29. Please watch for more info about that.

Any questions about roles available & casting script should be directed to hayleygray@gmail.com

BC2030.ca in time for the election

Last year, there were 2 community roundtable workshops with the BC Council for International Cooperation (BCCIC) which explored the UN Sustainable Development Goals and their potential to bring British Columbians together who are working on global issues.

Now, just in time for the election, the group has launched *BC2030.ca*, built from recommendations and thoughts gathered from over 50 community roundtables, held all over the province, similar to the ones in Merritt.

BC2030 is a non-partisan political campaign that looks to the UN Sustainable Development Goals. The website outlines the myriad groups working on — to varying extents — the UN Sustainable Goals. But it also offers tips & strategies to approach candidates to address some of the issues.

Early in January, they sent out questionnaires relating to how provincial party leaders will work toward achieving the Global Goals. They received only 1 response from the 4 leaders of the major parties — Dr. Andrew Weaver, leader of Green Party, was the only respondent. So...

While this will be a longer conversation, it will have to make leaps & bounds in the near future! The UN Sustainable Development Goals is a vision for a thriving and sustainable world by 2030. Find out all about them www.globalgoals.org

FACT OF THE WEEK

Baillie House presents...

The Maple leaf on Canada's flag has 11 points!

New Vice President The chairman of the board of our company called me into his office to tell me the good news. I was being promoted to Vice President of Corporate Research and Planning. Of course, I was excited, but that didn't stop me from asking for my new title to be changed to Vice President of Corporate Planning and Research. "Why?" asked the chairman. "Because," I said, "our organization uses abbreviated job titles, and I don't want to be known as VP of CRAP."
