Fraser-Nicola candidates

Michael Henshall BC Social Credit

I will stand for the citizens of the Fraser-Nicola to listen and implement new vision for the area:

The government of British Columbia's primary responsibility is to represent (serve) all citizens in the most efficient, transparent and fiscally responsible way possible to create an environment that promotes prosperity and well being for citizens. To begin it is essential that politicians allegiance is not biased to its citizens by private interest money to political parties as we have seen. These massive corporate and union donations to political parties must be eliminated to end the corruption and get politicians back working for who they are elected by! The next step to provincial prosperity is to scrutinize provincial expenditures and eliminate bloated bureaucracy, red tape and inefficiencies in the system that have plagued ministries such as ICBC and the health authorities, so that money goes to where we need it — doctors, nurses and suitable facilities. Royalty structures need to be improved to ensure British Columbians are receiving their share. We need competitive corporate taxes with streamlined regulation that attract and support processors and manufacturers (jobs for British Columbians) so business, as we have seen in the forest industry, don't leave the province. We need tax reform in BC so taxation is directly allocated to improve government accountability and reduce unnecessary bureaucracy. Much work and change is needed in provincial government so I ask for your support on voting day to stand for British Columbians!

Sincerely, Michael Henshall

Reason for Visit Suspecting he had a serious medical condition, I nagged my husband until he agreed to see a doctor. Once there, he was handed a mountain of forms to fill out. Next to 'Reason for visit' he wrote, "My wife made me."

THIS WEEK'S HOROSCOPE

Aries
March 21 - April 19

A miscommunication is arising in your world now. This week, and in the near future, if you really want to fix it, you can.

Taurus
April 20 - May 20

It helps to remember, when dealing with old issues, that they're guiding you in the right direction. There's light at the end of the tunnel. You'll glimpse where your heart is headed.

Gemini
May 21 - June 20

Tackling a problem alone is a rite of passage, a challenge to rise to. There are questions you must find clear, honest, answers to. As soon as you do, all else that you need will come.

Cancer
June 21 - July 22

Don't think of emotional contentment as a goal. It's simply a natural side-effect of what you now must focus on — the rebirth and reawakening of a wonderful relationship.

Leo
July 23 - Aug 22

There's a more mysterious force at work in your life. It may not seem dramatic, but it counts for more. Allow that to guide and inspire you...

Virgo
Aug 23 - Sept 22

This week, if you want a relationship to feel special, take time and invest more care and attention into it. You'll reach great heights with little input.

Libra
Sept 23 - Oct 22

We need to show each other more respect, and treat the people close to us better than a stranger. A relationship has deteriorated somewhat lately, but it's not too late to put it right.

Scorpio
Oct 23 - Nov 21

Perhaps someone has got you in a spin! Time to remove the covers from your eyes and find out what you've won. Once you've over the dizziness, you'll like what you see.

Sagittarius
Nov 22 - Dec 21

This week, trust that something that seems bad in your life now, can yet be turned into something that's good. It may take some hard work, and it may take some patience.

Capricorn
Dec 22 - Jan 19

Don't do anything self-defeating. You're not in danger of falling from grace. And you may just harvest the materials to build a stronger relationship.

Aquarius
Jan 20 - Feb 18

A relationship is important to you, you must allow the opportunity. Don't be defensive. Be calm, patient, sympathetic. This is your chance to be generous with your time and attention.

Pisces
Feb 19 - Mar 20

Time to reap the harvest of what you sowed. Don't be afraid to dig up what you've planted — enjoy the fruits of your labour. You deserve every ounce of happiness.
