### Nicola Lk & Riv. rising

The Min. of Forests, Lands & Natural Resource Operations is asking the public to prepare for localized flooding as water levels in Nicola Lake & River rise due to increased snowmelt and higher than normal rain levels in April. Lake levels have been rising for the past 15 days.

And with last night's rain and what's expected over the weekend - as well as the warm weather - the River Forecast Centre has issued a *high streamflow advisory* (levels rise rapidly, but no major flooding expected/minor flooding in low-lying areas possible) for small streams around Merritt and other parts of the Central Interior.

### Advance voting

As of Wednesday, 2,754 Fraser Nicola voters had cast advance ballots. That's 11% of the 23,578 registered voters in our riding. Advance voting continues today & tomorrow 8am-8pm, at the Civic Centre. After that, the last chance to vote is E-Day itself, Tuesday May 9.

All voters must prove their identity and residential address to receive a ballot. Usually it is faster and easier to vote at your assigned voting place - cards were in the mail last week - on General Voting Day, but voters can vote at any voting place that is convenient for them.

### Polls & 'Poll Tracker'

As of yesterday, CBC's *Poll Tracker* indicated 'probability of winning' was NDP 72.1%, Liberals 27.9%. Although in the Interior & North, the numbers are quite different for the proportion of votes: NDP 34.1%, Liberals 48.4%, Greens 14.6% and others 2.8%. Metro Vancouver shows the highest percentage of votes & number of seats for the NDP, which would carry the party into power. [Ed.: But anything is possible until the voting ends!]

**I Wish I Was Rich** A genie came to me and asked, "What's your first wish?" I answered, "I wish I was rich!" Then the genie said, "What's your second wish, Rich?"

**My Dog Did It** "Johnny, where's your homework?" Miss Martin said sternly to the little boy. "My dog ate it," was his solemn response. "Johnny, I have been a teacher for 18 years. Do you really expect me to believe that?" "It's true, Miss Martin, I swear," insisted Johnny. "I had to force him, but he ate it!"
