Fraser-Nicola candidates Harry Lali BCNDP

A lot is at stake. The BC Liberals had your trust for 16 years, yet they sold BC Rail when they said they would not. Christy Clark and the Liberals have raised MSP, Hydro and ICBC rates while giving their rich friends and corporate donors massive tax breaks.

Liberals only talk now about Forestry jobs after they let Tolko close, after 50,000 mill jobs in BC are gone. They now say they are here to fight for you - DON'T BELIEVE THEM! Christy Clark and the Liberals cannot be trusted; they take huge donations from the same companies that close mills and export your logs. Christy Clark is bought and paid for.

Clark led the fight against Educators for 16 years and only now back off AFTER a Supreme Court order reversed

her cuts to Education. Liberals do not work for you. It is time for a change and I hope you know that I will work passionately and loudly to ensure you are heard in Victoria, not the other way around. Bio-Sludge, Mill closures, cost of living – all ignored for 4 years. I will not allow Victoria to ignore you, or our issues again.

Rural BC, Merritt and Fraser-Nicola deserve better. I ask for your vote on May 9th and I ask that you end this corrupt Liberal government's hold on power. BC can't afford 4 more years of Christy and Crew. On May 9th I ask you to vote Harry Lali and the BCNDP.

Jackie Tegart BC Liberals

It has been an honour serving the residents of Fraser Nicola for the last four years. I am running for re-election because I care about Fraser Nicola and the people in it, and I believe that I can make a positive difference by continuing to work hard, listen to con-

stituents, and advocate on their behalf. The BC Liberals are committed to job creation, balanced budgets and fiscal responsibility. We are supportive of small business, resource industries such as forestry and mining which are important in our riding, and getting to 'yes' on responsible resource projects like Kinder Morgan pipeline expansion that will create jobs.

The two top issues in Fraser Nicola are jobs and rural health care. Having a good, family-supporting job enables us to take care of the people we love. The BC Liberals are committed to providing prudent fiscal management, balanced budgets, reducing the debt, red tape and taxes to maintain our healthy economy...and when we have a healthy economy jobs are created.

Rural health care, including access to doctors and primary care, help make our communities sustainable by attracting new residents and enabling seniors to stay in the community as they age. We are committed to training more doctors, nurses and investing in primary care facilities.

I believe I am the best candidate for Fraser Nicola. I care about our rural communities and the people that live in them. I am committed to listen, understand and look at the best way I can help. I believe in working together, building strong relationships and achieving results for individuals, for communities and for our province. I respectfully ask for your vote on May 9th.

Sometimes I wake up grumpy... Other times I let him sleep.
