TNRD declares state of local emergency

Due to the flooding in Beautiful Nicola Valley - North (TNRD Area "M"), the Thompson-Nicola Regional District declared a State of Local Emergency, 8pm on May 8. This declaration provides the TNRD with the authority to perform emergency works within and around waterways, including constructing or placing erosion protection works or flood protection works when an emergency is declared. It also permits the TNRD with the authority to clear obstructions from bridges or culverts. It will remain in force for 7 days until May 14. TNRD Emergency Operations Centre: 1-866-377-7188.

Nicola Lake & River flooding expected

Nicola Lake is currently filling at a rate in excess of 100 cubic metres per second, which is 40% more than the previous historical maximum, and the lake is rising 24cm/day. Lake levels are predicted to rise approx. 1.3m above the current elevation, likely leading to water going through the emergency spillway. Overbank flooding in Merritt and areas downstream along the Nicola River will occur as well. Property owners along the lake and river are encouraged to move any equipment away from the water. And keep children & pets away from dangerous banks & fast flowing water.

Special weather statement for Nicola

Environment Canada has issued another weather warning for our area: Rain and possible thunderstorms beginning late Thursday over the Southern Interior.

A developing cold front will stall over the Southern BC Interior late Thursday and begin to transition out of the area on Friday. Rain and the threat of thunderstorms are likely beginning late Thursday.

This weather situation combined with spring snow melt will lead to rising river levels and may increase flooding — again.

Up-to-date roads report

The Min. of Transp. & Infrastructure (MOTI) has set up a special website for the most up-to-date road conditions & anticipated re-openings. Southern Interior Flood Recovery – Travel Advisories can be found at: www.tranbc.ca

Disaster Financial Assistance

Disaster Financial Assistance (DFA) is now available to eligible British Columbians in the Central region (including TNRD) who may have been impacted from the flooding that began on May 4. Homeowners, residential tenants, small business owners, farm owners, and charitable organizations are eligible. Assistance is also available to local governments. Applications must be submitted to Emergency Management BC (EMBC) by Aug. 5. FMI www.gov.bc.ca/disasterfinancialassistance

Waitress! We were standing in line outside a busy restaurant. The harried hostess was checking to find out how many people were in each group. "Party of two," the woman behind us said to her, "and could we please have Michelle?" Annoyed looks turned to knowing smiles when she added, "Michelle is my daughter, and just once in my life I want her to wait on me!"
