Resiliency centre set up in Merritt

The TNRD, in conjunction with the Lower Nicola Indian Band, has opened a Resiliency Centre in Merritt, to provide information about disaster financial programs and offer clean-up kits to floodimpacted residents of the District.

The TNRD-Lower Nicola Indian Band Resiliency Centre opened at the Civic Centre on Saturday, May 13, and will be open again on Tuesday, Thursday and next Saturday, from 10am until 2pm.

Representatives from the TNRD, the Lower Nicola Band, the Canadian Red Cross, and the Disaster Financial Assistance Program and will be on hand to provide information and offer assistance.

Disposal of flooddamaged materials

The TNRD will be waiving tipping fees for homeowners who sustained property damage as a result of the recent flooding events — in effect until June 11.

Only waste materials generated as a direct result of the flood will be waived. At the waste disposal site, residents will be required to sign a declaration stating their name, phone number, and address of flooded property.

Customers must notify the site attendant and complete a declaration form prior to unloading. Attendants will direct customers where to unload. Please be advised that all site rules and regulations remain in effect and hours of operation remain unchanged.

The Lower Nicola Landfill is 1 of only 2 TNRD facilities that will accept rocks, clean soil, sand, gravel, etc. This material is not considered to be garbage and can only be handled at TNRD landfills. FMI TNRD Environmental Services Dept 1-877-377-8673 or recyclenow@tnrd.ca
