Coquihalla Hwy construction delays

Two major road and bridge construction projects between Hope and Merritt on the Coq are now well underway. Motorists are advised to expect delays.

South of town, crews will be resurfacing 4 lanes of the Dry Gulch Bridge; 30 kms north of Hope, the work to build the Box Canyon chain-up area continues.

Both projects will intermittently reduce traffic down to one lane in each direction. Motorists should consider an alternative route or travel outside peak travel times and long weekends. The overhead message signs and variable speed signs will inform drivers to be aware of congestion ahead so they can adjust to a lower speed. Both projects are expected to be completed in the fall.

Sandbag disposal

The City of Merritt is reminding residents that any sandbags used in flood response should be removed and adequately disposed of after the threat has passed. Sandbags come with their own problems once the flood has subsided. They trap contaminants and animal waste from the floodwaters, and can become a nuisance and a breeding ground for bacteria if not disposed of properly.

Sand should be removed from the sandbags, and empty bags may then be disposed of with regular waste on respective waste pick up days. It is recommended to use caution while working with sandbags – wear gloves to protect yourself from scrapes and contaminates, and wash hands thoroughly with soap and water.

Due to the potential of contamination, residents are advised to not use the sand in playgrounds, sandboxes or other areas where there might be direct human contact. The sand can be used for fill, to cover icy roads and sidewalks, mixed into concrete or mortar, as a base for sidewalks or pavement, or for cover in a landfill.

Sand should not be disposed of in a wetland, waterway, flood plain, or other environmentally sensitive or protected area.

Did you hear the joke about the elevator? It was wrong on so many levels

Piano Tuner It seems that every time John, our piano tuner, comes to our house, he scolds me for waiting too long between tunings. I agree with him that it should be done every six months, but I don't really think about it until the piano sounds off-key. Last time he came over, I was on the defensive. "If you would send out a postcard reminder like the dentist," I declared, "I would make sure to call you for an appointment in a timely fashion." Without hesitating, he replied, "From now on, when the dentist sends you a postcard, call me."
