## Food Bank report

The Nicola Valley & District Food Bank has become a critically important source of food-security support to those experiencing temporary and long-term economic challenges, for adequate nutrition for themselves and their families.

In 2016, \$199,000 worth of food was distributed — up from \$182,000 in 2015. Nearly \$10,500 worth of food coupons for the local Farmers' Market were provided. 3347 volunteer hours were logged — an increase from 2647 in 2015. On a typical monthly basis, approximately 700 persons (family members and individuals) accessed the Food Bank.

So, with a population of 7300 in Merritt (and the majority of Food Bank clients are from town), that means nearly 10% of residents have accessed the services.

The Food Bank is looking for new directors to join the board of the not-for-profit social enterprise. It has been able to be successful due to its "incredible volunteers, great staff, and valued corporate sponsors & partners". FMI & to get involved, contact manager Ellisa Barron 378-2282, or foodbank@telus.net

## Canada Day fireworks in the planning

The City of Merritt Leisure Services Dept & Canada 150 celebrations committee are seeking community sponsorship to assist with a larger-than-ever-before fireworks display for Merritt's Canada Day festivities.

The average budget is \$4000, but this year, they're upping it to \$5000, in addition to a \$1500 grant from Heritage Canada. To top up to their \$8000-\$10000 goal, they are looking for community groups & businesses to help support with a donation of \$500-\$1000.

Jerry Brock and Gary Harvey traditionally plan, design, organize, order, set-up and fire off the fireworks, and they will be back this year with a line-up that "will blow our minds!" according to Recreation Programmer Felicity Peat.

On Canada Day, Saturday, July 1, the City will be hosting activities at the Civic Centre, Sports Box, Central Park and Rotary Park, 7am-10:30pm — you can check out the schedule online: merritt.ca

FMI contact Felicity, fpeat@merritt.ca or call 315-1050.

Wife: Whatcha doing? Me: Nothing.

Wife: You did that yesterday. Me: I wasn't finished.

### High Fructose Corn Syrup

Husband: It says in this article that high fructose corn syrup made me fat. Wife: That's ridiculous! Husband: OK, 'Ms. know it all'. If high fructose corn syrup didn't make me fat, what did? Wife: Going back for thirds.

## THIS WEEK'S HOROSCOPE

**Aries**

March 21 - April 19

If you find yourself back where you once said you'd never go again, it may be something to smile about, rather than cry over.

**Taurus**

April 20 - May 20

The more we try to protect ourselves, the more we become vulnerable. To guard against unwelcome intrusion, maintain a high level of openness. Be trusting this week.

**Gemini**

May 21 - June 20

A "looking at the flip side" approach can be applied to a problem you're facing. Ask yourself which may be the lesser of two evils. You might enjoy what comes out in the wash.

**Cancer**

June 21 - July 22

You've a lot on your plate but you can absorb and digest every last bit of it. As long as you take one step at a time. With the Solstice arriving, those are giant steps.

**Leo**

July 23 - Aug 22

You'll see new possibilities, options, alternatives, and invitations. These represent real chances, as long as you're willing to take them. But you need to stop doubting your abilities.

**Virgo**

Aug 23 - Sept 22

Tired by your efforts to pursue peace & harmony? You deserve to be applauded, yet you keep incurring criticism. Don't throw in the towel, someone's becoming more reasonable.

**Libra**

Sept 23 - Oct 22

Don't risk everything on a crazy, scheme - and if you perceive that it poses potential danger, keep well away from it. But, if the risk is small and the potential reward is big, give it a try.

**Scorpio**

Oct. 23 - Nov 21

Forget, how or why a situation came about & your feelings about it if it's bad or good. Just look at what it now has the potential to offer you. Be glad of that.

**Sagittarius**

Nov 22 - Dec 21

When we believe something, we share that belief with zeal. But we may not know what we think we know! Are you giving someone else's assumption too much credence? Get to the root.

**Capricorn**

Dec 22 - Jan 19

This week, people are inspired to assist with your most important endeavours. Don't underestimate your ability to charm ... or perfect a solution out of a seemingly daunting difficulty.

**Aquarius**

Jan 20 - Feb 18

You can get into a long discussion about the relative merits of an idea or a suggestion. But if you really want to make progress, don't ignore what you feel in your gut.

**Pisces**

Feb 19 - Mar 20

'Imagine everything is fine and it will be fine' rarely turns out to be blissful. But time to look more favourably now on something you've previously felt inclined to resent.
