Merritt athletes at NAIG

Congratulations to Sunshine O'Donovan for her 3 silvers in 19U Female Rifle Shooting (3P, Overall, and Prone), this week at the North American Indigenous Games in Toronto.

The Nicola Valley is also well-represented with Marcelo Bose, Dakota Grismer-Voght, Jorge Arazola-Sam & Clinton Kaboni playing 19U lacrosse.

For A Good Time Call Jackie This weekend

A hoppin' weekend coming up, my friends! If you're like me, you're sticking close to home, "just in case...", so no better time to enjoy what the valley has to offer, smoke be damned!

Friday & Saturday: As always, dancing to the great tunes of Cooper Country & Friends at the Adelphi, 1:30-4pm & 7-9pm. Millie's back and singing regularly!

Saturday: My fave dancing band, the Boom Booms, will be gracing us during their extensive festival tour! Culture Club, doors at 8, music at 9, Tix: Black's or Brambles \$20, or \$25 at the door.

If you'd prefer fun for the whole family, how about summer movie night at the Rodeo Grounds? *Lego Batman* is being shown - a benefit for the Ty Pozzobon Foundation, admission by donation. Fun starts at 7pm, movie begins at dusk. Bring cash for admission and snacks, cozy clothes, your pillow and blanket.

Sunday: A fun thing to do on a Sunday is to cruise the Nicola Valley Cruisers' 23rd Annual Show & Shine, Central Park. Always a hoot to find the car that stirs a memory from back in the day! FMI Al 378-7402, Doug 378-5761, or Barry 378-7064.

It's expected to be sunny, clear and hot, so be sure to slather on the 'screen, hydrate, and enjoy a soak in one of the Valley's cool waters. And Happy Sunday Birthday, Al Horne! Happy trails, all.

IHA warns about West Nile virus

The risk of getting West Nile virus is highest from end of July through August.

West Nile virus is spread from infected crows, ravens, magpies & jays to humans through mosquito bites. Since 2009 when it was first detected in BC, there have been 4 human cases — all in the Okanagan. Last year the virus was detected in horses and birds in the Kootenays, confirming the virus is present there as well.

The risk of becoming seriously ill from West Nile virus infection is low for most people. However, the elderly and those with compromised immune systems are more at risk. You can lower your risk by removing potential mosquito breeding areas on your property, installing screens on windows, avoiding outdoor activities at dusk and dawn, wearing protective clothing, and using mosquito repellent. FMI www.healthlinkbc.ca/healthfiles/hfile96.stm

IHA works with the BC Ctre for Disease Control & Can. Blood Serv. to monitor West Nile activity, including screening blood supply and reporting human & animal cases.

Elderly driver An elderly driver called 911 on her cell phone to report that her car has been broken into. She is hysterical as she explains her situation to the dispatcher: "They've stolen the stereo, the steering wheel, the brake pedal and even the accelerator!" she cried. The dispatcher said, "Stay calm. An officer is on the way."

A few minutes later, the officer radios in. "Disregard." He says. "She got in the backseat by mistake."
