Heading for historic temperature highs

This week's weather forecast is for 33-39°C — with Thursday being the day to watch for record-breaking highs throughout the province.

A ridge of high pressure and a thermal trough (a weak region of low pressure that will increase the strong offshore flow) are responsible for the potentially historic temperatures in Western Canada.

In addition to the heat, dry conditions will persist across the province, exacerbating the ongoing wildfire threat. Any of this week's rain will fall in northern sections of the province.

Quick work of fire near Kingsvale

Yet another fire quickly controlled & extinguished by BC Wildfire Service crews, on Saturday, near Kingsvale, 25 km south of town. The fire only grew to .1 hectares in size.

The Kamloops Fire Centre is currently experiencing elevated fire danger ratings, from "high" to "extreme" throughout the region. With hot and dry conditions forecast for the next several days, the Kamloops Fire Centre is urging the public to be vigilant in the backcountry. All human-caused fires are preventable, and can divert critical resources from naturally occurring wildfires.

Smoke from the south

Smoke from a large fire burning in Washington State has been highly visible in the Penticton Fire Zone and in much of southern BC recently. The smoke is expected to be seen in the area for the next few days. There are also fires burning in Oregon, Montana & California.

Change for plastic bag/film recycling

Starting Sept. 5, the TNRD recycling program will no longer accept plastic bags in with mixed recycling. Because recycling recovery facilities throughout BC have changed to meet new standards, these facilities are no longer able to process plastic bags in mixed recycling loads. Plastic bags can still be taken to any TNRD Eco-Depot or Transfer Station to be recycled separately. If bags can't be reused or recycled, they can be disposed of in household garbage.

Q: Whatever happened to the bedbugs who fell in love? A: They got married in the spring.

The Caught Tooth Fairy A mom was playing "tooth fairy" and putting money under her little daughter's pillow when the child awoke and caught her in the act. The mom froze, wondering how to explain to her tot that she was, in fact, the tooth fairy. But she was spared the trouble. "You put that money back!" her daughter said indignantly. "The tooth fairy left that for me!"

Fall Fair garage sale final blow-out

Rockin' River bus

The bus will run Thursday through Sunday, 3pm-1am, \$5 per ride, \$25 for a weekend pass. Bracelets are available at the Country Music Hall of Fame. Thanks to Kenny Hess, City of Merritt & Tourism Nicola Valley for contributions made for bus during Rockin' River weekend.

THIS WEEK'S HOROSCOPE

Aries

March 21 - April 19

You're facing a distraction. Though it's tempting, it's important to adhere to an existing emotional commitment. Try to stay focused on your plan. Your future lies down this path.

Taurus

April 20 - May 20

Your communications are delightful. And they bring you an opportunity too. With powers of persuasion so enhanced, no better time to establish a place in someone's heart.

Gemini

May 21 - June 20

The situation you're struggling with is sensitive. Best to really think about the best way to proceed. Though there may be twists and turns along the way, there's a happy ending in sight.

Cancer

June 21 - July 22

Abandon your cynicism. If you're open and generous with those closest to you, those you love will return your kindness tenfold.

Leo

July 23 - Aug 22

You're being put into a position where you need to re-evaluate your position in a relationship. If you allow yourself the time you need, you'll know what you want to put your faith in.

Virgo

Aug 23 - Sept 22

If you're tired of fulfilling someone's expectations, remember we can all be guilty of taking things for granted. Just be honest, and make your boundaries clear.

Libra

Sept 23 - Oct 22

But don't shy away from your feelings. Show the world how much you have to give. You may well feel you want to stand before family & friends and make the commitment.

Scorpio

Oct. 23 - Nov 21

You may be in danger of romanticising a situation that could do with a more realistic approach. There's no need to lose sight of yourself in your search for love.

Sagittarius

Nov 22 - Dec 21

You've made a decision & now feel unsure of your footing. The choice between distancing yourself from a situation, or drawing closer. Your courage & effort deserve recognition.

Capricorn

Dec 22 - Jan 19

Even people in committed relationships deserve admiration from others. It needn't be taboo, you should feel flattered. They're right to admire you. Enjoy being in the spotlight.

Aquarius

Jan 20 - Feb 18

Time to be attentive to someone you care about as they reach a turning point. If the dynamic of your relationship shifts there's no need to worry. You can adapt to a new paradigm.

Pisces

Feb 19 - Mar 20

The healthiest liaison isn't always proportional to the effort you put into it. But a weakened connection will benefit from attention. Make a sincere gesture now & a relationship will blossom.
