"Threat" at MSS

Some parents received phone calls from School District 58 last evening, apprising them of an incident regarding the high school. According to parents who posted on the Merritt Grapevine, the call said that a threat was made over the weekend and that the School District is working with police in the investigation. The RCMP will be at school this morning for support.

The call did not give the nature of the threat but asked that if anyone has more information, to contact police.

Word is that on SnapChat, a student angry with the school threatened to go to there to do harm. The SnapChat thread was reported and taken seriously by the RCMP.

Parents were not asked to keep their children at home. The School District call said that students would be safe.

Merritt Terry Fox supporters get ready

The Terry Fox Run Merritt is days away, and participants are gearing up to raise money for cancer research and help keep Terry Fox's dream alive.

They will run, walk or bike approx. 5k on Sunday, September 7. Registration 9am, start 10am, with the start and finish are at Voght Park.

37 years after Terry Fox was forced to end his Marathon of Hope, our citizens still respond to his Terry Fox Run legacy in a way that is truly Canadian – by coming together in 700 small villages and big cities, raising money without incentive or profile, and helping to make our country's cancer research the best in the world. All without fanfare or fuss; the Canadian way.

Terry Fox had a single dream: a world without cancer. Come and join us – from coast to coast we will be celebrating our country's 150th and the power of the human spirit as we work together to outrun cancer. FMI, visit terryfox.org

for kids & adults any age. Classes start week of Sept 11. FMI contact Love To Dance Academy: dance@telus.net or 378-9898.

Nicola Valley Community Band

If you have ever played a musical instrument, no matter how long ago, consider joining the Community Band. They meet Tues. evenings at MSS, 7-9pm. Meet new people, learn a little about music & have fun. FMI, James 378 9894.

The Big Sale It was the day of the big sale. Rumors of the sale (and some advertising in the local paper) were the main reason for the long line that formed in front of the store by 8:30, the store's opening time. A small man pushed his way to the front of the line, only to be pushed back, amid loud and colorful curses. On the man's second attempt, he was punched square in the jaw, and knocked around a bit, and then thrown to the end of the line again. As he got up the second time, he said to the person at the end of the line, "That does it! If they hit me one more time, I'm not opening the store!"

THIS WEEK'S HOROSCOPE

Aries

March 21 - April 19

This is a situation where, if you change your behaviour, everything will follow suit. You know how to encourage, rather than intimidate... so you simply have to make a change work.

Taurus

April 20 - May 20

You may find yourself outside your comfort zone, but the situation should be manageable. Lower the risk of being misunderstood and you'll find you're not out of your depth.

Gemini

May 21 - June 20

This feeling of constraint from unnecessary restrictions has been tiresome. But this week, a change is on its way. An unreasonable and unnecessary limitation is about to lift.

Cancer

June 21 - July 22

Someone close to you has insight on the decision you're struggling with. Listen to what they are actually saying, rather than what you think they're saying, your choice will be inspired.

Leo

July 23 - Aug 22

This week, take a good look around you: something close at hand is worth a lot more than you realize. Quietly assess it and enjoy the transformative powers it brings.

Virgo

Aug 23 - Sept 22

Inactivity is not something anyone normally advocates; but pausing for thought, and taking a break, might just present you with a surprising solution.

Libra

Sept 23 - Oct 22

Appreciate the good, this week, and the bad will pale into insignificance. Blemishes can be beautiful. How we deal with chaos and crisis defines us.

Scorpio

Oct. 23 - Nov 21

Stop just repeating yourself and appreciate your natural talents. You can use your resources in innovative ways.

Sagittarius

Nov 22 - Dec 21

Sometimes there's a high price to be paid. You sense a wrong that needs to be righted. Your internal moral compass is powerful - you know exactly what to do.

Capricorn

Dec 22 - Jan 19

What's needed is a change of attitude to your working practices. Try smaller & more achievable goals. It might seem dull, but the end is in sight.

Aquarius

Jan 20 - Feb 18

Check that you're acting for the best reasons. Don't need to do anyone's dirty work. If there is an element of deceit or distrust, you'll sense it. Be true to yourself & you'll choose rightly.

Pisces

Feb 19 - Mar 20

Instead of pondering possibilities, there's an opportunity to communicate honestly and courageously. Someone wants to tell you something. The news is looking good.
