30 years of ash disposal @ Craigmont

Nicola Mining has entered into 30-year ash management contract with Merritt Operations Services Limited Partnership ("MOSLP") who will operate the bio-mass-fired power plant energy power plant, aka Merritt Green Energy plant.

Under the 30-year agreement Nicola Mining will accept up to 7500 dry tons of ash generated from burning wood waste — including scrap wood from regional lumber mills — for a fee that includes price escalation clauses. The ash will be blended with sand to plant seeds, and spread onto the sandy tailings area to allow growth of vegetation native to the region. The company plans on seeding and irrigating to facilitate plant growth and mitigate dust.

License plates survive internment camp

Last week, the Merritt License Plate Museum was given a donation of two license plates by Mr. Bob Nishiguchi of Ashcroft. One is dated 1942 — CX554 — off his father's 1-ton Ford panel truck, the other a class III freight vehicle — K21221 — also dated 1942 from his father's truck used on his farm in Cloverdale.

Both plates were kept by Mr. Nishiguchi's father, even when he and his family were sent to a Japanese internment camp during WWII. Bob, his son, was 5 years old at the time. Mr. Nishiguchi was born in 1897 and lived until 1984.

The Merritt License Plate Museum has now 2 brass plates to remember him as a collector, who lost a business in New Westminster and a farm in Cloverdale.

150 Drums

Calling all Drummers! Celebrate and respect, protect & honour Mother Nature & Ancestors, Elders and our children of our future through drumming, dancing, feasting, storytelling and performances at 150 Drums for Water, Lands and Unity, Sept. 22-23. There will be free camping, a dinner for Saturday and all day entertainment. If you have a drum to spare, please bring it! Open to everyone who can sing and dance, come and bring your family, friends, and community. We want to acknowledge the survival of our language, culture, heritage that was suppressed many years and those that sacrificed their lives to keep it all alive. We want to recognize and end violence against women!

This is a grassroots and green event; please bring your own plates & utensils. September 22, 7pm through September 23 11pm at Shulus Arbour.
