Teen Attire A teen-aged boy with spiked hair, nose ring and baggy clothes was overheard telling a friend, "I don't really like to dress like this, but it keeps my parents from dragging me everywhere with them."

Get The Job Done "This little computer," said the sales clerk, "will do half of your job for you." Studying the machine, the senior VP said, "Fine. I'll take two."

THIS WEEK'S HOROSCOPE

Aries
March 21 - April 19

A truth is waiting to be unveiled, and you don't have to be the one to divulge it. Your intuition is powerful. If you can keep an open mind, integrity will follow.

Taurus
April 20 - May 20

If something seems less than perfect, don't just dismiss it as futile or hopeless. Appearances can be deceptive. Much is yet to be revealed.

Gemini
May 21 - June 20

Don't take life for granted. If we become blasé, we lose vital perspective. Something important is happening in your life. Don't undervalue the gifts on offer.

Cancer
June 21 - July 22

Things have changed. They are not as you thought they were, not just different - but better! Don't just do what you have to, do what you'd like to.

Leo
July 23 - Aug 22

If you're skilful this week, you can easily resolve a matter that otherwise risks becoming controversial and divisive. It will be easier than you think.

Virgo
Aug 23 - Sept 22

Right now, what you think will happen, will happen. It's time to put negativity to one side and focus on a bright future.

Libra
Sept 23 - Oct 22

Recently, you've been distracted by a fantasy that is convenient to believe. This week, the dream can become a part of your reality.

Scorpio
Oct. 23 - Nov 21

This week, you see evidence that reinforces a recent decision to be true to yourself. Your refusal to compromise is gaining you respect & admiration.

Sagittarius
Nov 22 - Dec 21

What's on the surface matters far less than what lies beneath. Though it feels important to fit in, don't lose sight of your uniqueness this weekend.

Capricorn
Dec 22 - Jan 19

You have more sway than you think. If you're clear about what you want to happen, and you're able to trust, you can make important advances.

Aquarius
Jan 20 - Feb 18

In the busyness of the moment, we forget to explain the machinations behind our decisions. Sharing will further understanding this week.

Pisces
Feb 19 - Mar 20

This week, if you ignore your doubts and the doubters, you'll access new faith in your own abilities. Your confidence is on the rise.
