Nicola Valley Transportation Society (NVTs)
is looking for future enthusiastic
board members of the Society

NVTs is a non-profit operating transit company. Funding is shared between the City of Merritt and BC Transit through a partnership with the TNRD and Lower Nicola Indian Band.

We want your ideas, attendance, support, and to raise awareness of the importance of bus transit to Merritt & the Nicola Valley.

If this feels like an enterprise you can contribute to,
then please attend our

MERRITT MORNING MARKET

MONDAY EDITION — OCTOBER 23, 2017 #3069

News, opinion, community events & classifieds since 1996! Box 2199 Merritt, BC V1K 1B8
T (250)378-5717 F (250)378-2025 market@uniserve.com www.merrittmorningmarket.com

Flu season begins

Every year in Canada, about 12,000 people are hospitalized & 3500 die from influenza or its complications. It was a particularly bad flu season in Australia, with the worst outbreak on record in the country, and there are concerns a similar strain could hit North America as this winter approaches.

In BC, this year's vaccine offers protection from the A/Michigan/45/2015 (H1N1)pdm09-like virus, the A/Hong Kong/4801/2014 (H3N2)-like virus, and the B/Brisbane/60/2008-like virus. And 2 additional vaccines are available for children which also contain another B strain — for 2017 a B/Phuket/3073/2013-like virus.

You can get vaccinated in pharmacies now. Or if you're eligible for free vaccines, watch interiorhealth.ca for announcements on when clinics will be held through the public health system.

World Polio Day

Rotary's World polio Day is Oct. 24; a day which you can livestream the latest successes on polio eradication from the B&M Gates Fdn, HQ in Seattle at 2:30pm.

Thanks to Rotary, many folks will say: 'What's polio?' But even though we have eradicated it in over 122 countries, it is still endemic in Afghanistan, Nigeria & Pakistan; largely because superstitions and internal conflict have made it perilous and almost impossible for Rotary volunteers to visit villages and administer the oral vaccine to kids (kids under 5 yrs of age are the most susceptible to the virus). And that virus can return to any country, anytime, if carried by an unsuspecting tourist or worker, and that means Canada too; your kids and grand-kids.

There's no cure for polio, only the vaccines developed in the 1950s-60s by Drs. Salk and Sabin; heroes! The over 1 million Rotarians worldwide have contributed over \$1.7 billion to date and we will raise another \$150 million by 2020. And every dollar we raise is doubled by the Gates Foundation. 2.5 million kids have been immunized so far, at a cost of \$0.60 per child. Polio cases have been reduced by 99.9% but we won't stop until its 100% for a three year duration; and then; celebration!

If you wish to help; just go online to Rotary World Polio Day and do so; or contact me and I'll help you. Please do what you can. Thanks, *Darch Osborne, Rotarian, Rotary Club of Merritt*

To err is human... To admit it, now that's a mistake!

Knowing the Territory It was my friend's first camping trip with her husband, and they were lost. He tried all the usual tactics to determine direction — moss on the trees (there was none), direction of the sun (it was overcast), and so on. Just as she began to panic, he spotted a cabin in the distance. "This way," he said as he led her back to their camp. "How did you do that?" my friend asked. "Simple. In this part of the country, the satellite dishes point south."

THIS WEEK'S HOROSCOPE

Aries

March 21 - April 19

Like hitting a tennis ball against a wall, there's an element that suggests you're playing against yourself. Try not to let frustration get in the way of a potential success.

Taurus

April 20 - May 20

Someone at work seems to be trying to prove something. These actions are a result of your transformation. As you become clear about your new needs, so will they.

Gemini

May 21 - June 20

If you can calmly explain your reasoning, the people who've been challenging you back down, and extend their approval. No need for an argument, but also no need to give in either.

Cancer

June 21 - July 22

Something you want remains elusive. But, giving up on a dream is not the answer. A significant opportunity presents itself this week. You can find hope - not lose it.

Leo

July 23 - Aug 22

the difficulties you face over making a decision are creating a discomfort that is affecting almost every aspect of your life. But this week, you'll reach a clear and decisive resolution.

Virgo

Aug 23 - Sept 22

Though a situation, in your life feels the same as always, something fundamental has changed. Fine-tuning your ideas will be easier than you think.

Libra

Sept 23 - Oct 22

This week, you're in a good position to advance in a situation that means a lot to you. If you can put your worries to one side, you can take advantage of a very good deal.

Scorpio

Oct. 23 - Nov 21

It's important for you to remember that you can't please everyone, and that not every battle is yours to fight - even if someone brings it right to your front doorstep.

Sagittarius

Nov 22 - Dec 21

This week, find the strength & courage to follow your ultimate ideals. When you find yourself trying to defend someone, remember that the most powerful force in the universe is kindness.

Capricorn

Dec 22 - Jan 19

What would happen if you were to see the good in something that seems so bad? Give it a try, and your week will surprise you in a very good way indeed.

Aquarius

Jan 20 - Feb 18

Trust your experience and knowledge. You know what you need to do, and how to do it. When everything comes out into the open, nothing will be able to stop you.

Pisces

Feb 19 - Mar 20

You're feeling pressure to show that you're leading a perfect life. But his week, if you can let go of pretending to be something you're not, you can start to enjoy being what you are.

The Flu virus can travel
