Contaminated recycling

The City of Merritt was recently advised by TNRD that some curbside recycling containers were contaminated with items that are not permitted in the recycling containers, such as yard waste i.e. leaves, twigs etc. — this contaminated the entire bin container load.

Other items not accepted: glass, hazardous waste, plastic bags and overwrap, dishes & cookware, paint, form packaging, garden hoses, scrap metal & toys.

TNRD can charge a penalty of \$50 per metric tonne for contaminated loads. These penalties could result in an increase to garbage fees for residents.

Please do not contaminate your curbside recycling container with materials that are not permitted.

Fatal accident on Coq

RCMP responded along with Merritt Fire Rescue & BC Ambulance to a fatal accident on the Coquihalla Highway near the Juliet Creek exit, around 1am on Oct. 28.

Investigators confirmed that a northbound Volvo was driving in the wrong lane when it crashed into a southbound tractor trailer unit that was overtaking another commercial vehicle.

"The commercial vehicle that was being overtaken went off road right and managed to stay upright," Central Interior Traffic Services Sgt Mike Pears said in the press release. "The tractor trailer unit that was passing although trying to avoid the collision with the car was not able to, and the car impacted the front of the tractor unit which resulted in the death of the driver who was the lone occupant of the (Volvo)."

The drivers of the commercial vehicles sustained non-life-threatening injuries, and the tractor unit of the vehicle which was struck head-on, caught on fire.

RCMP believe the victim is from the Lower Mainland area. Investigators are looking at alcohol as a factor and say that the roads and weather were good.

It is not known why the driver of the car was traveling the wrong way on the Coquihalla Highway. Police are looking for anyone who has not already spoken to the police who saw a grey Volvo station wagon travelling from Hope to Juliette Creek between 10pm on Oct. 27 to approx. 1am. Please call Central Interior Traffic Services 378-4262. RCMP & BC Coroners Service continue to investigate.

You can sit on my pumpkin, but you butternut squash it.

Two monsters went to a Halloween party. Suddenly one said to the other, "A lady just rolled her eyes at me. What should I do?" The other monster replied, "Be a gentleman and roll them back to her."

•What do you get when you divide the circumference of a jack-o-lantern by its diameter? Pumpkin Pi.

•What is a vampire's favorite holiday? Fangsgiving.

•How do monsters tell their future? They read their horoscope.

THIS WEEK'S HOROSCOPE

Aries

March 21 - April 19

do everything you can beforehand to make sure the opportunities are real. Is excitement obscuring your better judgement? Before you move take time to consider your true feelings.

Taurus

April 20 - May 20

Somewhere in your emotional life, a good point is being made badly. Focus on the spirit of the message.

Gemini

May 21 - June 20

Sometimes, a little external pressure isn't such a bad thing. This week, be grateful for, but not limited by the box you're put in.

Cancer

June 21 - July 22

Sometimes your actions can lead to damage and cause harm to yourself. Be mindful and aware of what you are doing, and you'll avoid such errors now.

Leo

July 23 - Aug 22

You usually easily walk your own path. Yet this week, you'll find yourself forced to go through the motions. Now what you will need is an ability to endure, rather than to avoid.

Virgo

Aug 23 - Sept 22

Don't be afraid to show your feelings and even get romantic when appropriate! You're in for a delightful surprise.

Libra

Sept 23 - Oct 22

Even in your darkest moments, there's a spark of warmth, joy and inspiration burning within you. Reignite your passion for life and you'll draw people's love to you like a moth to a flame.

Scorpio

Oct. 23 - Nov 21

If a sad or confused mood persists, look deeper within. Don't worry, you are very close to working things out. The solution you seek is already at your fingertips.

Sagittarius

Nov 22 - Dec 21

By getting rid of all the junk, you'll gain something much more valuable. Now, you'll find that whatever you release and rid yourself of will return to you in the form of something new.

Capricorn

Dec 22 - Jan 19

If you're experiencing difficulty or stagnation in your social sphere, in love or friendship, it is time to look inward. Commit yourself to a realistic and conscious self-transformation.

Aquarius

Jan 20 - Feb 18

Your current trials - great or small - will pass. Your troubles are fleeting. As long as you continue to move forward, so will your situation. Soon you will be able to breathe easy.

Pisces

Feb 19 - Mar 20

It is infuriating when those we love can't understand our point of view. And you can't understand theirs. Put yourself in their shoes, now look at you through their eyes.
