Of interest on tsn.ca

"Course ranking lists always stir up emotions in golf lovers interested to see how their favourites fare. The latest one from *Golf Digest* has generated some conversation – and not just for the placement of the 30 courses that made the list.

What raised some eyebrows was the inclusion of Sagebrush Golf & Sporting Club in Merritt, B.C. It finished in 18th place, up one position from the previous ranking, despite not being open for the past two years.

In its last ranking of the top 100 Canadian courses, SCOREGolf left the course off the list due to its situation. It was 10th in the Canadian publication's previous list in 2014.

After some financial troubles, the course was sold in 2015 to the Newark Group. It said construction was needed on the facility and that it would not open for play in 2016. That continued into the spring of 2017 and Sagebrush failed to open for a second year.

Last month, the Newark Group's owner, Mark Chandler, was in court facing extradition to the United States where he was facing charges on fraud regarding real estate dealings.

That led to the resignation of the course's general manager and Newark's president of golf operations. It's uncertain just what Sagebrush's future holds and whether it will open for play in 2018."

Operation Christmas Child

Operation Christmas Child is a shoe box drive started in 1993. To date, 135 million boxes have been collected and distributed to children around the world. It is one way to remind children who are suffering as a result of war, poverty, famine, disease and disaster that they are loved and not forgotten.

To participate, pick up up empty box at various locations around Merritt and drop off full to NV Evangelical Free Church, 1950 Maxwell Ave., 378 9502. Choose from three age groups, male or female and fill with school supplies, hygiene products, a small toy and \$10 to cover costs.

Dedication Sunday is November 12th at NVEF Church. FMI: samaritanspurse.ca and click on OPERATION CHRISTMAS CHILD, or visit www.packabox.ca to pack a shoe box online.

CANADA 150
FACT OF THE WEEK

- 31 per cent of Canada is taken up by forests
- 20 per cent of the world's fresh water is in Canada
- Canada has more lakes than all other countries combined

My fear of moving stairs ...is escalating.

Do You Take Children? I called a motel and asked how much they charged for a room. The clerk told me that the rates depended on room size and number of people. "Do you take children?" I asked. "No, sir... nor checks!" replied the clerk. "Cash and credit only."

A man started to throw words beginning with 'th' at me I dodge this, then and there but I didn't see that coming — *Tim Vine*
