## Madeline "Madge" Tom

On November 17, 2017 "Madge" passed away suddenly in Merritt Hospital. The family wishes to let the community of Merritt know that the Wake is being held at Spaxomin (Douglas Lake) at the Meeting Place on Manuel Road. Signs have been posted along the way. Funeral date to be determined, but the service will be held at Douglas Lake.

Food and other donations will be accepted at the Meeting Place (250-350-3496). In lieu of flowers please send donations to the Heart and Stroke Foundation.

## \$50k in donations for ER expansion project

Significant donations were made — totaling about \$50,000 — during a NV Health Care Endowment Foundation informal social event at the Golf Course Clubhouse on Nov 15, attended by about 100 guests. There were also a number of pledges for additional funding prior to completion of the project.

NVHCEF has pledged \$550k towards equipment and furnishings for the expanded ER, and as of last Wednesday night, have reached the \$200,000 level on the thermometer posted at the Hospital site.

Donations can be made at Interior Savings Credit Union, or online at nvhcef.com, or by connecting directly with any of the NVHCEF Board members. FMI Jerry Sanders 315-2622.

**Tidy Housekeeper?** The bride was anything but a tidy housekeeper. It didn't bother her much until one evening when her husband called from the hall, somewhat dismayed: "Honey, what happened to the dust on this table? I had a phone number written on it."

## Santa light-up parade

Deadline to sign up for the parade is today, Monday, Nov. 20th. There were 24 floats entered for our Community Christmas Parade, as of Friday — half as many as last year. Please stop by Carrie Ware & Co. to pick up your application. Don't miss out on this fun community tradition!

## THIS WEEK'S HOROSCOPE

 <b>Aries</b> March 21 - April 19 You're unsure of the right course of action. Before seeking advice, consider your options. You have the experience you need to make the right decision this week.	 <b>Taurus</b> April 20 - May 20 You've been feeling confident but someone has undermined your confidence. If you can separate the facts from your anxieties, you'll be able to take an important step.	 <b>Gemini</b> May 21 - June 20 You have bucked trends all through your life. This isn't the time to stop! Put your trust in yourself this week. Other people's approval, though helpful, is not essential.	 <b>Cancer</b> June 21 - July 22 No one 'gets' you, but you're ahead of the game. Your understanding of a situation is hard to explain, even to yourself. But if you're patient, you'll get to grips with it soon enough.
 <b>Leo</b> July 23 - Aug 22 We usually find a way with poorly working relationships, and laborious scenarios. But the long-overdue change that you're starting to implement is exactly what you need to do.	 <b>Virgo</b> Aug 23 - Sept 22 A decision was made based on unreliable info and you're seeing cracks in your plan. But you'll be able to work your way back to the error. It's easier to fix than you think.	 <b>Libra</b> Sept 23 - Oct 22 You've been trying to declutter your life. Not just materially, but emotionally too. Not everything from the past needs to go in the trash can. You can rediscover an overlooked opportunity.	 <b>Scorpio</b> Oct. 23 - Nov 21 You don't need to spring into action. But you should not disregard the idea that's emerging. There's a way to solve your current problem that will make life much easier this week.
 <b>Sagittarius</b> Nov 22 - Dec 21 If you can stop wasting your energy on trying to pre-empt the effects of what's on the horizon, and move with the flow, you'll find that it brings something you've long been waiting for.	 <b>Capricorn</b> Dec 22 - Jan 19 Consider a tactical retreat, or a new approach this week. Then, you'll see that instead of it feeling as if it's you against the world, the odds can stack up in your favour.	 <b>Aquarius</b> Jan 20 - Feb 18 There's a fundamental part of you that needs to be free. But you shouldn't fear a lack of support. The right people will see the merit in your actions. You just need to explain your motives.	 <b>Pisces</b> Feb 19 - Mar 20 Where you've been experiencing resistance, things should start to move in the right direction. You have good timing. With the confidence to express your ideas, you can work magic.
