Nicola Valley Transportation Society ‘Landmarks’ contest

There's still time to get your filled-out form into the Nicola Valley Transportation Society's contest to identify the 4 landmarks. The contest deadline was extended until Friday, December 15, 4pm. Back in November, the NVTS launched the contest to celebrate their 10th anniversary! Prizes include bus fare tickets & a monthly pass. The idea is to identify 4 ‘landmarks’ and say which route they are found on. To date, the entries have only been dribbling in, so if you don't get all 4, identifying even 1 and submitting your entry gives you a HUGE chance at the prizes. So still a couple days... Forms available from bus drivers or at the Transit office.

Against the City borrowing for Fire Hall expansion?

The “elector response form” period will re-start this week after an administration error last month. Have your say about the City borrowing \$2,209,000 over a period of 25 years to finance the costs of the Fire Hall expansion. Electors can complete the ‘elector response form’ starting on Dec. 15 at City Hall. The re-started process had its first notice published Dec 7, the second will be tomorrow Dec 14. January 19, 2018 will be the final day for submissions.

Angel's Animal Rescue new program

Judana Dawn believes that Angel's Animal Rescue is the first shelter in BC to offer a program that encourages pet owners to bring in unwanted puppies along with their mother, who will be spayed at no cost to the owner. The program will encourage pet owners to surrender unwanted puppies. She got the idea after working with Paws It Forward in Kelowna to rescue dogs in Manitoba. It was through that project that Judana heard about a Manitoba group offering a similar program. Though she is excited about the new program, it will be costly for the shelter. She estimates it will cost \$300 to \$500 per dog depending on the weight of the animal. The shelter also vaccinates, tattoos and microchips the dog during the surgery. "It's not exactly a win-win for us because we have to come up with the money to take care of the puppies and spay the mother...but that is what we do," said Dawn. Twin Kennedy Christmas Show

The Twin Kennedys — no strangers to Merritt & the Country Music Fest — will tour their new Christmas album here in Merritt, on Dec 15, at the Culture Club. They'll only be back in the country 10 days after their album release party in Nashville on Dec. 5th. Don't miss this: \$20 advance tickets at Black's or by calling 280-0468, \$25 at the door.

Christmas Bird Count

On Sat. Dec 16, local naturalists will participate in the annual Christmas Bird Count, running since 1995 in Merritt, organized by the Audubon Society and Bird Studies Canada, through the Nicola Naturalists. Although there is a serious side to the counts, the main goal is to have fun. Groups of birders travel about within the designated count circle and record the species & numbers of all birds. You don't have to be an expert to participate and it's a great way to learn about the local birds. FMI 378-8820 or www.nicola-naturalists.ca

Celebrating the Birth of Christ

Life is like a Rubik's cube... Easy to mess up, hard to solve.

Shape of the Earth A kindergarten teacher asked, "What is the shape of the earth?" After a pause a little girl spoke up, "According to my Daddy...terrible!"

Confused in Conversation I was checking out at the busy super market, and the cashier was having problems. The register ran out of paper, the scanner malfunctioned, and finally the cashier spilled a handful of coins. When she totaled my order, it came to exactly \$22. Trying to soothe her nerves, I said, "That's a nice round figure." Still frazzled, she glared at me and said, "You're no bean pole yourself."
