NVCAC youth advisor

The Nicola Valley Community Arts Council announced the addition of a volunteer Youth Advisor position to its operations — to provide a voice for youth in the arts, help build connections between the Arts Council and youth, and assist with events and promotion.

The position also provides valuable exposure to the operations of a non-profit arts organization, experience & skill development in the arts for the 3 new Youth Advisors: Jenna McKenna, Felize Omori and Janelle Gage.

In addition to her new appointment, Felize has been selected to participate in *Encounters Canada 2018*, a week-long event in Ottawa that connects youth across the country to explore the possibilities for exciting careers & develop leadership skills.

APTN Nation to Nation

The FN that believes it can stop K-M

All the Kinder Morgan pipeline expansion talk seems to be about protests and what the prime minister is going to do about the British Columbia gov't.

But lost in the mix is Coldwater First Nation near Merritt, BC, about a three-hour drive northeast of Vancouver.

Coldwater has refused to sign a deal with Kinder Morgan and that matters because for Kinder Morgan to reach Burnaby, and foreign markets with Alberta bitumen, it has to go through Coldwater's territory.

After all, the old pipeline runs directly through the centre of the reserve.

And the main issue with the proposed pipeline route is it would run over the community's aquifer, it's main source of drinking water.

"It's a huge concern for us that we protect that drinking water for our members and for future generations," said Chief Lee Spahan on Nation to Nation.

Coldwater joined other nations and stakeholders last year in filing for a judicial review of the pipeline's approval. That is now in the hands of the Federal Court of Appeal that is supposed to make a decision soon.

The community has turned down a possible deal worth millions in the fight, while Kinder Morgan says over 50 deals have been signed with First Nations.

My mom told me I'd never amount to anything because I procrastinate too much... I said, "Oh, yeah!/? Just you wait!"

I hate people that always need assurance... Do you know what I mean?

I set out to lose 10 pounds this month... Only 15 more to go.

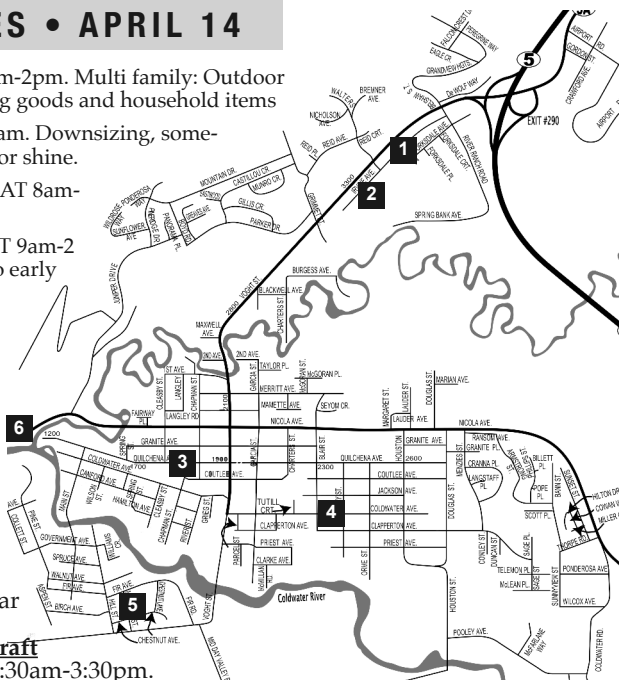

People laughed when I said I wanted to be a comedian. Well they're not laughing now!
