More winter on the Coq

Drive BC issued a travel advisory on Friday afternoon, for Hope to Merritt. They said to expect rain possibly transitioning to heavy snowfall throughout the late afternoon and evening.

Then shortly before 4am on Saturday morning, the Coquihalla was closed for 4 hours northbound at the snowshed hill due to multiple jack-knifed semis.

Residential dev't proposed for Collettville

Proponents & supporters of a development in Collettville will be back at tomorrow evening's City Council meeting. The project was dismissed out of hand by Council recently, after the presentation of a short petition.

"We are really only asking them to take it to Third Reading/Public Hearing so the people of Merritt can debate it, and if it doesn't meet the wishes of the majority then we have lost a fair fight, and we move on. But not to even allow the people to have a say is very worrisome, and it is going to send a strong message to other investors thinking of coming to this town... don't bother," said real estate agent/developer Georgia Clement.

The project is estimated to generate \$6-7million in construction, labour & materials. It is proposed as 20 lots on 4 acres — less dense than Parkview, which has 34 lots on 4.25 acres.

The habits of bats

Don't miss the Nicola Valley Museum and Archives Annual General Meeting, April 19, 7pm at the Seniors Centre, 1675 Tutill Court, just off Coldwater Ave.

Guest Speaker will be Dr. David Kerridge, talking about the habits of bats. He is a retired college professor who now lives in Merritt. Dr. Kerridge has an extensive knowledge in small mammals. His fascination with bats was triggered as a student and continues to this day.

at 6pm, film starts at 6:30pm FMI 378-2464 or MerrittBaptist@gmail.com

I saw a post on Craigslist that said: Radio for sale, \$1. Volume knob stuck on full. I thought to myself, I just can't turn that down.

THIS WEEK'S HOROSCOPE

Aries

March 21 - April 19

things in your life can start turning around. Not all the answers will appear this week. But if you're not sure where you're heading, look for a sign that's as bright as day.

Taurus

April 20 - May 20

You're feeling vulnerable. But there's a timely change of mood and spirit. People have faith in you. Not everything is about to get easier, but it's getting better.

Gemini

May 21 - June 20

Forging a path is daunting. It's easier to do what's gone before and to follow a script rather than write our own. But your world should be everything you want it to be. This week, it begins to be.

Cancer

June 21 - July 22

We have a right to be happy. If someone thinks otherwise, it's a good time to question their authority. You need no one's permission to have a thoroughly enjoyable time.

Leo

July 23 - Aug 22

You've had difficult experiences and agonised over choices. But you no longer have to sweat over a key decision. You'll recognise the moment it comes. Then leap forward with faith.

Virgo

Aug 23 - Sept 22

Something's been right under your nose and you're finally about to discover a solution. It might not be the answer to everything, but it will be life-changing.

Libra

Sept 23 - Oct 22

You'll be able to focus on what you have in common with someone important. Solutions will begin to emerge and you'll start to see why this key partnership has been worth all your investment.

Scorpio

Oct. 23 - Nov 21

People who hold real power function quietly behind the scenes. You might not be a powerbroker, but consider the situation. People are ready to follow your lead.

Sagittarius

Nov 22 - Dec 21

Recently, you've become overly conscious of your fragility. This week, you'll fret less. And the easier it becomes to draw on your luck and bring fortune into your life.

Capricorn

Dec 22 - Jan 19

You can overturn a misplaced conviction and free yourself from the effort of having to trudge. And if anyone should have faith in themselves it's you.

Aquarius

Jan 20 - Feb 18

It's time to be bold. Push the envelope. Press the button. Challenge the assumption. At least one of your brightest ideas is not as crazy as it sounds. Go for it!

Pisces

Feb 19 - Mar 20

Don't overanalyse small 'signs'. If you're feeling stressed, signs of doom and gloom can be found everywhere. If you're optimistic, you'll see justifications of your hope everywhere.
