## Sonia Ralston

June 5, 1931 ~ April 10, 2018

It is with sadness we announce the death of a dear lady, Sonia Ralston, on April 10th at the age of 86.

She was predeceased by her husband Don, a son Laurie, a sister Jean and also a younger sister and brother.

She is survived by a brother, daughter, granddaughter, grandson and many nieces and nephews and also by her friends & church family at Trinity United.

After moving to Merritt, she worked in Social Services and then became a very successful realtor, who won many awards for her work.

She enjoyed singing in the choir for many years and was a trustee and on the church board. She played mandolin in the Spirit Vibes group in Trinity and also in the band who entertained at Nicola Meadows and Gillis House.

She took up painting, with a few displayed on her walls in her home. In her earlier years she loved to go walking and riding bikes with her friends.

She spent her last months in Gillis House in the good care of the nurses and staff.

There will be a memorial service and refreshments to follow at 2pm this Sunday, 22nd of April, at Trinity United Church on Quilchena Ave.

## Hummingbirds return!

Birdwatcher Bob Holmes reports that the first hummingbirds have returned to Coutlee and the Nicola Valley — a little early, this year (at least ahead of the flow-ers). So, may be time to fill the humming-bird feeders & help out those early birds!

## Community

### Habitat selection: Great Basin Spadefoot

Nicola Naturalist Society present Jo-Anne Hales, an Environmental Specialist for the Tk'emlúps te Secwépemc band and is doing graduate studies at TRU. Her talk covers her interesting work with these charismatic and threatened little amphibians which are a symbol of our interior grasslands. Thurs. Apr. 19, 7pm at NVIT. All welcome, membership or donation.

## Thoughts from Outside the Box Pyramids Part 3: Mystery schools

The Pharaohs of old, those who came before the more well-known Egyptian rulers, who existed in the previous epoch, were a different breed of leader than we witness today. Supposedly, they were the best of the best, and mystically inclined. These Pharaohs were what a person familiar with the concept of mystery schools calls "the Initiated" or "Son of God". The Pharaoh had passed the highest trials set forth by mystery schools. Any person who achieved this transformed into a super-person — the archetype of every great philosopher and saint. This super-person was directly linked to the Celestial Realm and The ONE, and their will was that of The ONE, or what some religions call, God.

I don't know if mystery schools are only found in history books, since secrecy is vital to their existence. And only the fringe history books still share this understanding. These books suggest that during the existence of mystery schools, the general public were not aware of them. Students were secretly chosen and secretly taught. Those who graduated from this type of school did not discuss the institution's existence.

The Pyramid of Giza is said to have been a place of initiation. It is where the Great Thoth, also known as Hermes Trismegistus, reached the coveted status. It is said he reincarnated as a mystic three times so far, and will be born yet again. The word "thought" evolves from the name "Thoth". He is said to be the inventor of writing & to have written many thousands of books in his lifetime. *To be cont'd —Mike Bhangu,*
