## 2 reasons why Grad 2018 was extra special 94% graduation rate

Mr. McGifford, Vice-principal & MC at Friday evening's graduation ceremony, congratulated the Class of 2018 for the highest graduation rate on record for School District 58. The 94% graduation rate puts MSS well above the provincial average!

### NVIT offers full 1st-year tuition scholarships to all MSS grads

NVIT President & CEO Ken Tourand made a surprise announcement during Friday's ceremony: the college will offer 1st-year tuition scholarships — equivalent to \$2525 — to every MSS grad of 2018, 2019 & 2020 who transitions immediately to NVIT after grade 12! He says he hopes it will make a difference, because whereas provin-

cially approx. 50% of students enter post-secondary education immediately after grade 12, in Nicola-Similkameen that rate is just 34%. Students wanting to take advantage of the offer will need to register by July 31st.

[Editor: What an spectacular offer! I'd bet there isn't another college anywhere, ever that has made such an offer! NVIT rocks!]

## Grad class donates to ER upgrade fund

The Nicola Valley Health Care Endowment Foundation congratulates the MSS Class of 2018 and want to say a big 'thank you' for your donation! The graduates decided to donate any leftover funds from their graduation fundraisers to the Emergency Room Renovation and Expansion Project. And with their help, the NVHCEF has now broken the \$350,000 mark!

Health care is important for the whole community, regardless of age, and the group is thrilled the grads chose to support this important community project.

L-R: NVHC Endowment Foundation's Jim Gardner, Jensen Cavaliere, Cassidy Dunnigan, & Valedictorian Dylan Carmichael

## Community Cops for Kids Foundation movie night

As a fundraiser, organizers will be showing the movie *Isle of Dogs* on Monday, June 25, 6pm at the NVIT theatre. Tickets are \$5 at the door.

### BC Epic 1000

The Grand Depart of the 2018 BC1000 Epic Race will take place in Merritt, in front of Breathe Bikes, Sat. June 30, 7am. Over 80 riders, mostly from North America, have entered so far, including Merritt's own Darch Osborne. There will also be a no host BBQ at Central Park the evening before (June 29) at 5pm for riders and friends. Come talk with participants, and organizer Dr Lennard Pretorius of Kamloops.

## THIS WEEK'S HOROSCOPE

**Aries**  
March 21 - April 19

You get things done and fast! But this week, something can't be rushed. If you're able to reach out for help in restraining yourself, you'll create a partnership of lasting value.

**Taurus**  
April 20 - May 20

Things can take longer to achieve than we'd like. You just need to catch up with your slightly unrealistic expectations. Right now, you're exactly where you need to be.

**Gemini**  
May 21 - June 20

You see the bigger picture, & probably already worked out that you need to think again about a recent decision. You'll find there's a missing fact. The brainpower involved will be worth the effort.

**Cancer**  
June 21 - July 22

Your perseverance will ensure you make progress. What you've achieved so far is no small feat. Challenges you've overcome prepare you to take what lies ahead in your stride.

**Leo**  
July 23 - Aug 22

You've found a pattern that works for you. Ignore people trying to undermine your confidence this week. Luck's on your side & you'll achieve the result you've been looking for.

**Virgo**  
Aug 23 - Sept 22

Pressure is cooling off, giving you time to consider your options & question assumptions. Take the time you need to get this right. A clever, longer-term solution can be found.

**Libra**  
Sept 23 - Oct 22

Whatever you think your life is lacking, you can find a simple way towards satisfying that need. You are, in many ways, very lucky.

**Scorpio**  
Oct. 23 - Nov 21

Thanks to all that you've experienced, you are exactly who you need to be. This insight will bring crucial insight into your perception of who you are and who you can be.

**Sagittarius**  
Nov 22 - Dec 21

Acknowledging mistakes from the past doesn't mean being trapped or controlled by them. This week, remember that your greatest responsibility is to your future happiness.

**Capricorn**  
Dec 22 - Jan 19

Contrast on to full strength; everything's either blackest night or brightest day. But stay calm. You're more than in control. Approach events with a level head & you'll go far.

**Aquarius**  
Jan 20 - Feb 18

Before making a dramatic decision, ask yourself what alternatives are available. Don't need to rush any decisions. You make more progress with sensitivity & intelligence this week.

**Pisces**  
Feb 19 - Mar 20

The Full Moon promises protection in the form of the people who support you & have your long-term interest at heart. Stay true to your word and you'll have all the help you need.

**I was helping my son with his homework and he asked me what Armageddon was. He got upset when I told him I didn't know...**

I thought to myself, "Come on, it's not the end of the world, is it?"

**Parallel lines have so much in common...**  
It's a shame they'll never meet...
