Photo: BC Wildfire Service

**Worryingly close** The BC Wildfire Service responded to a wildfire just outside town, near Coutlee/Billwiller Rd., late yesterday afternoon. Hwy 8 was closed going to Lower Nicola. Ground crews, helicopters and airtankers were on site quickly, along with members of the Merritt fire department. The suspected cause is a tree branch hitting power lines. The wildfire eventually reached an estimated 7 hectares, but by 7pm the highway was open again & all sign of smoke gone.

**Vigil for  
Brittany Martel**

People gathered in Merritt Wednesday to remember Brittany Martel — who was found dead on the side of the Coquihalla on July 22. Billie Jean Gabriel, who organized the vigil, did not know Martel, but she said learning her body had been discovered near town was disturbing.

The group hung a red dress on a tree in a local park and then marched with signs to the town's RCMP building. Later at the Nicola Valley Institute of Technology, the group lit a path of candles. —cbc.ca

**Water limited during  
power outages**

As a result of Wednesday's power outage the City of Merritt put out a public bulletin to limit water use. "The City's water supply is now being powered by a back-up generator. There is only a limited amount of water that can be used before no further water is available. As a result, we ask that all citizens completely restrict all use of water until further notice. Please do not shower, flush toilets, wash clothes or dishes, or water lawns or gardens."

If you didn't get the memo, good to keep in mind for future occurrences.

**Q: How do astronomers organize a party?** A: They planet.  
**Q: Why does Humpty Dumpty love autumn?** A: Because Humpty Dumpty had a great fall.  
**Q: Can February march?** A: No, but April may.
