## Drought level 3, more water restrictions

The Ministry of Forests, Lands and Natural Resource Operations has notified the City of Merritt that the Drought Level in the Nicola region and the Coldwater River Basin has been raised from Level 2 (Dry), to Level 3 (Very Dry).

The rivers' stream Flow Percentile Rating now sits 'Below Normal' (10-25%)

So as of Wednesday, the City of Merritt has implementing further water restrictions, limiting watering to a maximum of 2 days per week. Residents with odd numbered addresses are permitted to water on Tues & Sat (Thurs has been removed), and residents with even numbered addresses are permitted to water on Mon & Fri (Wednesday has been removed). No changes to the hours of watering, times remain 6-8am, and 7-10pm. Automatic irrigation systems may run 12midnight-4am.

## Letter to the editor Merritt's very own country music heroes

Hello, Merritt!! Thank you. I will be back in 2019. Your hospitality & love shines.

My home while I am here: The All Seasons Motel, owners & staff. The Adelphi Hotel, owner & staff, home of Gary Cooper Country Opry!

My love of country music is why I'm here — provided by Gary Cooper Country Opry, Joe Lonsdale, Bobby Garcia & Six More Strings, Buckhorn Entertainment by Murray. Music beyond the best!

To all my wonderful friends — new & old — who come to see, hear & support these incredible 5-star musicians (they are our very own COUNTRY MUSIC HEROES) & deserve our love!

*Thank you, Millie McClatchy*

## BC birds test positive for West Nile

The Animal Health Centre lab has confirmed 2 dead ravens in Kimberley (part of routine surveillance) have tested positive for West Nile virus. This is the first evidence of West Nile virus activity in the province this year. To date, there have no human cases reported, no positive mosquito pools identified, and no positives identified by Can. Blood Services screening program. Unusual clusters of dead birds can be reported to the BC Interagency Wild Bird Mortality Investigation at 1-866-431-BIRD (2473).

**My dog used to chase people on a bike a lot.** It got so bad, finally I had to take his bike away.

**“My wife suffers from a drinking problem.”** “Oh is she an alcoholic?” “No, I am, but she's the one who suffers.”

**A wife goes to consult a psychiatrist about her husband:** “My husband is acting so weird. He drinks his morning coffee and then he goes and eats the mug! He only leaves the handle!” Psychiatrist: “Yes, that is weird. The handle is the best part.”
