**Support wildfire crews: Be responsible this long weekend**

The provincial govt is urging everyone to observe campfire bans & exercise caution to prevent human-caused wildfires, while wildfire crews remain working hard in the bush. They say the "2018 fire season is far from over. While temperatures have dropped, various levels of rainfall are occurring, and the smoke has cleared throughout most of the province, the risk of wildfires remains high. Currently, 518 wildfires are burning in BC, with 53 wildfires that are highly visible or pose a potential threat to public safety." To report a wildfire or open-burning violation, call 1 800 663-5555 toll-free or \*5555 on a cellphone
