GINNY PROWAL

to CITY COUNCIL

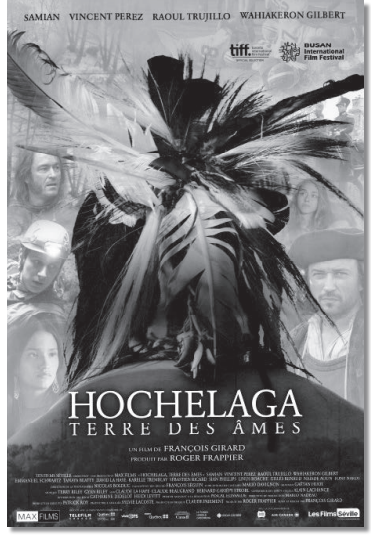

What you need to Know: Taxes

Everyone tries to put money aside for unexpected costs. A responsible City Hall keeps a reserve for such events. City taxes are based on the BC Assessment value of property. As the City develops, assessments go up, we want progress but there is a cost to taxpayers. **Vote to re-elect Ginny Prowal to City Council**

October 7-13, 2018 Fire Prevention Week

Look. Listen. Learn. Be aware. Fire can happen anywhere, works to educate people about three basic but essential steps to take to reduce the likelihood of having a fire—and how to escape safely in the event of one:

LOOK Look for places fire could start. Take a good look around your home. Identify potential fire hazards and take care of them.

LISTEN Listen for the sound of the smoke alarm. You could have only minutes to escape safely once the smoke alarm sounds. Go to your outside meeting place, which should be a safe distance from the home and where everyone should know to meet.

LEARN Learn two ways out of every room and make sure all doors and windows leading outside open easily and are free of clutter. [FMI firepreventionweek.org](http://FMI.firepreventionweek.org)

TNRD advance voting

The Thompson-Nicola Regional District is offering a new way to vote in this year's local general election. The Mobile Library will be rolling out to provide Electoral Area residents the opportunity to vote, with two pieces of ID, on October 18, for Area M candidates at Quilchena Hotel 12:00-12:45, and Lower Nicola Corner Store 1:30-2:30pm.

Beyond mobile voting, voters can also vote by mail, in advance, and on Election Day – October 20, 2018. To learn about candidate information and voting eligibility, visit elections.tnrd.ca

Meet the Candidates

Suzanne Saumure - City Councillor

Hello my name is Suzanne Saumure. I have lived in Merritt for 30 years. That is why I have desided to run for council.

I believe Merritt is ready for real change and growth. But in order for change to happen we all have to come together as a community and vote October 20/2018. For those in Merritt who I have not yet had a chance to meet and greet I stand for fairness and equality for everyone, Jobs and education and healthy food and a safe place to live. These are just some of the basic issues I stand for, so if fairness and equality are things you believe in vote Suzanne Saumure.

Catherine Belliveau - City Councillor

My name is Catherine Belliveau and I am running for City Council. I have been a resident of Merritt for 8 years. I served on the PAC for 7 years, and I have also been volunteering at the ICS Youth Centre for the past 2 years. Some of my key goals, should I be elected, are to restructure bylaws and streamline the business application and licensing process in order to make it easier for new businesses to come in, and current businesses to stay here. I am also hoping to improve some of our infrastructure, as well as revitalizing the downtown core. Flood mitigation is another item at the top of my list, as the affected residents need to be protected before the spring flooding begins next year.

Bob Neale memorial

An outdoor gathering of friends and family will take place on October 13th on the Neale Ranch at 2pm. Potluck snacks will follow for all who wish to stay. Anyone who requires further details about the potluck may contact Jill at 250-378-0114.

Hochelaga, land of souls

Nicola Valley Film Society presents *Hochelaga, Land Of Souls*, Rated 14A on Monday, October 15, 7pm at the NVIT Lecture Theatre. Tickets are \$5 at the door, memberships for this season of 6 films are \$2. This movie was Canada's entry into the Oscars last year, directed by Francois Gerard, best known for his film *The Red Violin*. When a storm opens a huge sinkhole in Montreal's Percival Molson Stadium, Mohawk archaeologist Baptiste Asigny finds the remains of Hochelaga, the village where his Iroquoian ancestors met the French explorer Jacques Cartier in 1535. This film is spectacularly shot, has a diverse and beautiful score and many dramatic stories which unfold as each artifact is uncovered and weave together 750 years of history of Montreal and Canada in a most memorable and respectful way.

Wedding Tears

During my brother's wedding, my mother managed to keep from crying until she glanced at my grandparents. My grandmother had reached over to my grandfather's wheelchair and gently touched his hand. That was all it took to start my mother's tears flowing. After the wedding, Mom went over to my grandmother and told her how that tender gesture triggered her outburst. "Well, I'm sorry to ruin your moment," Grandmother replied, "but I was just checking to see if he was still alive."
