## New Mayor & Council

There's a new landscape at the City Council table — except for a lone, stalwart veteran councillor: Kurt Christopherson.

Otherwise, it's a young & largely inexperienced council, lead by Councillor-become-Mayor Linda Brown, who with 1253 votes (over 51% of the vote) won by a WIIIIIIIDE margin, double Neil Menard's 626. Susan Roline trailed with 555 votes.

Now on council: Adam Etchart (1,858 votes for 75.9% of votes); Tony Luck (1,496/ 61.1%); Kurt Christopherson (1,402/ 57.3%); Travis Fehr (1,393/ 56.9%); Mike Bhangu (1,179/ 48.2%) & Melvina White (924/ 37.7%)

Elijah Mack was a VERRRRRRY close with 920/37.6%. Emma Martin got 826 votes for 33.7% of the vote; Ginny Prowal 740/ 30.2%; Catherine Belliveau 692/ 28.3%; and Suzanne Saumure 367/15%.

What's remarkable is that 2448 votes were cast, from an estimated 5184 eligible voters for 47% voter turn-out — one of the highest turnouts in the past 25 years!

## 'M' & 'N' rural School Trustee upset

For Nicola-Similkameen SD58 rural School Trustee (TNRD Areas M&N), Everett Hoisington prevailed with 185 votes over incumbent Gerry Ellingsen's 176.

John Chenoweth, Brian Jepsen, Gordon Swan, Gordon Comeau, David Rainer, and Leah Ward were acclaimed as School Trustees, all incumbent except newcomer John Chenoweth.

For Director in TNRD Area M, David Laird (230) won out over Linda Murray (160); while Herb Graham was acclaimed in TNRD Area N.

**Fibre enthusiasts** A group of Fibre enthusiasts is getting together on Tuesday October 23, 6:30pm at the library to talk all things fibre....spinning, weaving, felting, dyeing, knitting, etc. The group is very informal but would like to encourage young / old, experienced or beginners to join them to learn or teach about all things fibre. They would like to invite any others who may be interested in the community. Hoping to see if there is enough interest to start a group that gets together monthly.

**Fundraiser for Philippines typhoon victims at Kekuli** There will be a fundraiser dinner at Kekuli Cafe on Thurs., Oct 25, 7-9pm, with proceeds going to Serve the People Brigade working with various groups in Northern Philippines to assist communities impacted by Typhoon OMPONG. ### The meaning of opaque is unclear.

**Blame the Paperboy** A teenage girl had just been given family-car privileges. One Friday night she returned home very late from a party. The next morning her father went out to the driveway to get the newspaper and came back into the house frowning. At 11:30 am the girl sleepily walked into the kitchen, and her father asked her, "What time did you get in last night?" "Not too late, Dad," she replied nervously. Dead-panned, her father said, "Then I'll have to talk to the paperboy about putting my paper under the front tire of the car."

## THIS WEEK'S HOROSCOPE

**Aries**  
March 21 - April 19

You can now see how much you've achieved. You're about to be able to relax and appreciate the metaphorical muscles you've gained. Try to relax rather than react this week.

**Taurus**  
April 20 - May 20

If you take a step back this week, you'll be able to discern the smartest, most neutral and helpful way for everyone concerned to move on to a better place.

**Gemini**  
May 21 - June 20

The Full Moon suggests there's a different (and easier) route to follow. Take another look at the challenge you're facing. It holds far more promise than you'd imagined.

**Cancer**  
June 21 - July 22

Expect to be befuddled & confused as plans go awry. Try responding spontaneously to the environment. You have the power to turn what looks like trouble to your advantage.

**Leo**  
July 23 - Aug 22

You're in danger of fretting too much, so wag your finger at uncertainty and turn your nose up at what's causing you concern. If you believe in your ability to triumph, then you will!

**Virgo**  
Aug 23 - Sept 22

This week's Full Moon highlights a potentially deceptive scenario. Just because someone tells you that a dream isn't possible, doesn't mean they're right. Trust your instincts.

**Libra**  
Sept 23 - Oct 22

This week's Full Moon shows you that an old problem has an easy solution. Look more carefully at something you've been avoiding. That's where the answer lies.

**Scorpio**  
Oct 23 - Nov 21

The Full Moon brings the chance of creating such harmony. You'll need to be both fast-thinking and wise if you want to take full advantage.

**Sagittarius**  
Nov 22 - Dec 21

Think radical thoughts and experiment with your most courageous ideas this week. You might be sailing close to the wind, but you're within touching distance of a miracle.

**Capricorn**  
Dec 22 - Jan 19

People around you don't approve of your most recent project, but why do you care what they think? This week, support for your project will come from a surprising source.

**Aquarius**  
Jan 20 - Feb 18

It's going to be hard to resist getting involved in something you should steer away from. Yet you have the power to significantly improve the outcome of an important process this week.

**Pisces**  
Feb 19 - Mar 20

There are limits to what you can achieve, but they're not ones to stress about. There's still so far to go before those limitations get anywhere near you.
