## Old Time Fiddlers jam session

We had our first jam session last night, initiated by the Old Time Fiddlers, hosted by the Seniors Association of Merritt. With out your support we wouldn't have made it to this point. Last night we had ten musicians, two fiddlers, one harmonica, one mandolin and then the guitarist /singers. With this excellent first session we will now have the jam sessions monthly, third Saturday of each month. 7pm till 9 ?? Everyone had a great time, lots of people in attendance with a number of people up dancing. Once again thanks for having our request for new members in The Morning Market. You made this work for us. —Cress Farrow

## Thanks & other comments

Thank you to Public works for posting a "Danger" sign on the Coldwater River trail where the bank has eroded and a tree fallen into the river.

Kudos to the RCMP and others that resulted in the arrest of the man that burned down the Murray Church.

New warnings for Cannabis edibles- A child was sickened and almost died from eating a "gummy bear". A dog ate a small amount of Cannabis from the grass in a park- resulting in "toxic shock" and almost died.

—Ginny Proudal

**More Exercise.** I used to watch golf on TV but my doctor told me that I need more exercise, so now I watch tennis.

**Even More Than 10** A teacher asked little Johnny if he the numbers to 10. "Yes! Of course! My pop taught me, even more than 10!" "Good. What comes after 3?" "4," answered the boy. "What comes after 6?" "7." "Very good," said the teacher. "Your dad did a good job. Now, what comes after ten?" "A jack!"

## THIS WEEK'S HOROSCOPE

**Aries**  
March 21 - April 19

This week, what seems urgent could quickly become irrelevant & something you consider transitory could yet create memories that last for many years.

**Taurus**  
April 20 - May 20

If you can remain calm & keep things in perspective, all will be well. Take a deep breath, resolve to stay happy and you'll realize this week's potential.

**Gemini**  
May 21 - June 20

You know what to do & know what won't work. Quick-thinking skills guarantee the successful solving of clues, which lead to a helpful answer.

**Cancer**  
June 21 - July 22

You may feel you're on the outside, looking at a situation unraveling despite your best efforts. But your energy & thoughts are critical to its success.

**Leo**  
July 23 - Aug 22

Something small has been turned into an XL challenge. As you recognize its unimportance, you'll find that you can move on to more enjoyable issues.

**Virgo**  
Aug 23 - Sept 22

You have the chance to stand back and observe your reactions to a situation you're embroiled in. If you retreat, you'll be able to move ahead.

**Libra**  
Sept 23 - Oct 22

You have an opportunity to re-write your wish list. Although you might not be getting what you think you want, you're getting what you really need.

**Scorpio**  
Oct 23 - Nov 21

You have a chance to re-examine the sources of turbulence in your world. Fill your week with comfort and take time to relax, all your 'ghosts' will disappear.

**Sagittarius**  
Nov 22 - Dec 21

We normally function within our comfort zones and don't rock any boats. But this week brings a moment of delightful self-discovery.

**Capricorn**  
Dec 22 - Jan 19

While your heart has been allowing your head to think it's in charge, you've overlooked something critical. Take the time to make peace with yourself.

**Aquarius**  
Jan 20 - Feb 18

A success story is now being written. How would you feel if you were the subject of it? Well-deserved attention is heading your way.

**Pisces**  
Feb 19 - Mar 20

You've begun to feel that you're undergoing an experience for what feels like the umpteenth time - but it's no waste of time. A realization lies ahead.
