VSA contract not re- newed, after 15 years

VSA Highway Maintenance's contract, which runs out June 31, will not be renewed. Instead, Yellowhead Road and Bridge will take over the contract, which comes with "even higher standards" for snow clearing.

This week, the Ministry of Transportation said Class A highways (including the Coq) will need to be cleared to "bare pavement within 24 hours of a winter weather event ending at pavement temperatures of -9 C or warmer." The previous rules allowed 48 hrs until roads had to be clear of snow. The new contractor will also have to patrol all Class A highways every 90 mins, instead of every 4 hrs, during a winter storm.

Merritt Comm. Choir

God is Within

The Great Architect created all, and in doing so, God infused The Essence that is God within everything. Without this Essence, there would be nothing to support the Universe and all her principles and inhabitants.

This idea of God within the individual troubles some religions, and I think it's because they don't fully understand the notion. In the eyes of these religions, the belief that God is within the human condition implies that the person is God, however, this isn't what's suggested. God is within all creation and God is separate from (onto Thyself).

"Jesus said, 'If they say to you -where did you come from? Say to them -we came from the light, the place where the light came into being on its own accord and established [itself] and became manifest through their image. If they say to you -is it you? Say-we are its children, we are the elect of the Living Father. If they ask you-what is the sign of your father in you? Say to them-it is movement and repose.'" — (Gospel of Thomas)

Countless saints have spoken of God in such a manner. Great philosophers such as Aristotle and Pythagoras too expressed the idea. The All-Mind is within all minds. They further propose that to discover The Light within (God's Essence) is the highest life purpose.

The purpose is to allow The Light (God) within to govern the mind and body so to eventually merge with The Supreme Light. When The Light within is discovered, nurtured, and finally merged with The Supreme Light, an individual is considered one with The Primal Void and The Primal Void is considered one with the individual. In such a state, a person truly walks in The Father's Will, and in such a state, a person is no longer subject to the principles that govern life and death. The potential for immortality is the individual's but not immortality of the physical. Death can be overcome, and first, an individual must become one with ONE.

So, search for The Light within—God is closer to you than some popular religions have propagated. As Jesus expressed, the true church is within the body fortress.

"Wherever I look, I see that One Lord alone. Deep within each and every heart, He Himself is contained." — (Sri Guru Granth Sahib Ji, ang 387 of 1430) — Mike Bhangu

There are 10 types of people in this world. Those who understand binary, and those who don't.

According to the psychiatrist, my mind thinks that I'm a plant. It's really hard to be leaf.

I bought some shoes from a drug dealer. I don't know what he laced them with, but I've been tripping all day.

I'm so good at sleeping. I can do it with my eyes closed.

What did the pirate say when he turned 80 years old? Aye matey.
