Go, Cents!

Start of playoffs

After Friday evening's 4-2 win over the Trail Smoke Eaters, the Cents found themselves in familiar territory on Saturday night in game 2, but they couldn't replicate their success of game of the night before, falling 5-2 in regulation.

The Cents will try again, when the series resumes in Trail on Tuesday.

The one-one tie to date means that there will definitely be a game 5 in Merritt next Friday March 8th. You can get tickets on Monday at the Centennials marketing office.

Open house at old Courthouse

Friday, March 8, 1-6 pm, come check out all the nooks & crannies of the old Courthouse. The purpose of the Open House is to find creative ideas to use —and pay for — the available space in the Courthouse, left by the Merritt Dance Society when it relocated to a downtown location.

Art Council organizers hope that when people have a look at the interesting areas of the building, they will think of new programs or offer interests and skills to help make new things happen.

They will also be introducing our new Talent Network program this week and recruiting members to join it. This will be a database of all the talent, skills and interests of people in the Nicola Valley so they can find those with similar interests and make creative activities happen. It will include artists, musicians, writers, artisans, dancers, fiddlers, etc. It might help people find instructors or experts, create interest clubs, set up workshops, etc. Info and applications for that will be at the Open House.

Expanded bus service to Lower Mainland

With the start of the March, and after 4 months of service, Ebus has announced they're increasing their weekend service between Vancouver, Kamloops, Kelowna — and Merritt. In an effort to provide more travel options, they're adding additional departures on Friday & Sundays. The intention is to provide increased access for student travellers & weekend getaways.

Complete schedule info & reservations are available at www.myebus.ca or by calling 1-877-769-3287.

The Husband Who Knows

While attending a marriage seminar dealing with communication, Tom and his wife Grace listened to the instructor, "It is essential that husbands and wives know the things that are important to each other." He addressed the men, "Can you describe your wife's favorite flower?" Tom, smiling but looking a little nervous, leaned over, touched his wife's arm gently and whispered, "It's self-rising flour, right?"

THIS WEEK'S HOROSCOPE

Aries

March 21 - April 19

Imagine an art gallery of emotion: each artwork would remind you of feelings that were once very real. Turmoil will be as static as a picture on a wall.

Taurus

April 20 - May 20

Take a step back and turn to face a different way, that will go a long way to help you mend a rift and build a stronger bond with someone.

Gemini

May 21 - June 20

With patience and care a knotty relationship problem can be untangled and made right. There's satisfaction to be found in trying to fix things this week.

Cancer

June 21 - July 22

It is a particularly bumpy road right now. Stay steadfast, keep faith in yourself, and this will prove to be a week you look back on with pride.

Leo

July 23 - Aug 22

You're on a real-life mission. Even though the details are unclear, there is promise that if you stride forward with confidence the outcome will be positive.

Virgo

Aug 23 - Sept 22

Two sides are pulling equally. But don't be tough on yourself this week. You're about to find a way forward that will work for you - and those pressuring you.

Libra

Sept 23 - Oct 22

Looking at this week, your future is much more than 'not bad'. It could, in fact, be quite extraordinary! It could be the 'time of your life'!

Scorpio

Oct 23 - Nov 21

The repercussions of your actions won't be as bad as you fear. In fact they might not even exist. Time to reimagine yourself to where you want to be.

Sagittarius

Nov 22 - Dec 21

This week opens the way for you to be honest with yourself and others. This is the chance to make improvements to your life that you deserve.

Capricorn

Dec 22 - Jan 19

This week, things will become clearer. And you'll discover that you have far more supporters in your corner than you imagine.

Aquarius

Jan 20 - Feb 18

If you tackle the job with relish, it will soon shrink to a much more manageable molehill. But if it's too much hassle, walk away. It's time to be true to your feelings.

Pisces

Feb 19 - Mar 20

We're here to love one another, share our lives and build a better future. Time to open your heart and enjoy an insight into the true feelings of another.
