Funding for Lower Nicola Waterworks

The TNRD Board approved the expenditure of up to \$100,000 from Federal Gas Tax revenues to assist Lower Nicola Waterworks District in completing well-head protection for the Lower Nicola Waterworks system.

The Lower Nicola community water system is owned and operated by the Lower Nicola Waterworks District. Freshet levels in spring 2018 compromised the wellhead that supplies the system, and as a result the community was without a potable water source until levels receded. The project is comprised of raising the wellhead to a pitless type, to protect the water supply during future high water events, and is estimated at approximately \$200,000.

The contribution will be provided from the allocations of Beautiful Nicola Valley-North Area "M" \$50,000; and Beautiful Nicola Valley - South Area "N" \$50,000, championed by directors Herb Graham & David Laird.

Non-profit community engagement fair

Community Futures Nicola Valley will host a fair highlighting groups, services & organizations at work in the community. It is also an opportunity for non-profit organizations to attract volunteers and increase membership. If you're looking for something to do, there'll be lots to take in!

The fair is on at the Civic Centre, Saturday March 24, 10am-4pm. Free admission, sponsored by the City of Merritt and Entrepreneurs with Disabilities Program (EDP).

Starts With 'O' What starts with an "O" and ends with "nions" and sometimes make you cry? Opinions.

Weekly Woes Two old friends meet passing on the street one day. But one seemed hopeless, and almost on the verge of tears. His friend asked, "What has the world done to you?" The sad man said, "Let me tell you. Three weeks ago, an uncle died and left me forty thousand dollars." "That's not bad." "But you see, two weeks ago, a cousin I never even knew kicked the bucket, and left me eighty-five thousand free and clear." "Sounds like you should be grateful..." "You don't understand!" he interrupted. "Last week my great-aunt passed away. I inherited almost a quarter of a million." Now the friend was really confused. "Then, why are you so sad?" "This week... nothing!"

THIS WEEK'S HOROSCOPE

Aries
March 21 - April 19

Despite pressures others are putting on you, interruptions won't stop your progress. Keep your objective in mind, and take steps towards achieving it.

Taurus
April 20 - May 20

Don't be afraid to ask for what you want this week. There's a good chance that your request will be answered.

Gemini
May 21 - June 20

Position yourself where you're most likely to be needed, at the time you're going to be able to achieve the most success. Then, stick with your gut feelings.

Cancer
June 21 - July 22

Keep your mind open to eventualities, and don't be too specific, and you're in for a good week. Try to focus on how you feel, that's what really matters.

Leo
July 23 - Aug 22

Don't allow yourself to be fooled into making unhealthy comparisons and worrying about whether you're doing the right thing. You are.

Virgo
Aug 23 - Sept 22

This week, all you have to do is trust and appreciate a new situation that presents itself. No need to prepare for the worst. Something joyous is on its way.

Libra
Sept 23 - Oct 22

You can make a big impression this week. You don't need to try to prove anything. Just be yourself, that's more than enough.

Scorpio
Oct 23 - Nov 21

Your judgment is not impeccable, but you've made a good choice. Use your insight to guide you & you'll go along a delightful road to a satisfying destination.

Sagittarius
Nov 22 - Dec 21

You never stop thinking about what you can do for others. But you'll get help to instigate an important change. Just be humble enough to let someone help you.

Capricorn
Dec 22 - Jan 19

A problem is on your horizon but it doesn't mean that everything needs to come crashing to a halt. You'll find a simpler and better solution.

Aquarius
Jan 20 - Feb 18

You are feeling a sense of isolation, but you're not alone. You have support, and are much in demand, as you'll discover this week.

Pisces
Feb 19 - Mar 20

This week, you'll be able to see what you want to do with clarity. Then you'll find the necessary confidence to give a heartfelt response.
