Artists of the Nicola Valley

## Georgina Beatty

*[Editor: Last month, artist Georgina Beatty passed away after a recurrence of cancer. Her passing is a huge loss to both the community at large & the local artist community, particularly because of her young age, but also for the loss of her vivacious & humorous nature, and her joyous art expression.]*

In 2009 while a director with the NV Community Arts Council, Georgina was instrumental in getting a project off the ground, Artists of the Nicola Valley, a book with biographies & artworks of 27 artists, including herself. Below is an excerpt.]

Born in LaRonge, SK, Georgina moved to Merritt in 1965 and despite sojourns away to complete post-secondary training and take various jobs, she has always returned to the Nicola Valley.

Georgina's mixed heritage of Cree and English has provided the impetus and inspiration in her artistic endeavours. In particular, the Cree women of her Mother's family have influenced her profoundly. All artistically talented, their rich history has provided a wealth of subject matter for Georgina to explore through various media.

Formally trained at the Emily Carr University of Art & Design where she received numerous scholarships, she graduated in 1996 with a focus on multi-media. This has allowed her to experiment with a variety of media including video, black and white photography, performance, installation and 3D and 2D forms. She considers herself to be a jill-of-all trades and master of none – both a blessing and a curse! Her natural instinct tends towards realism and this is reflected in her illustrations and photography. However, because of her love of color, her paintings lean towards expressionism. Color, line and simplicity are particularly attractive to her.

Georgina has participated in the BC Festival of the Arts in Fort St. John and has exhibited her work both in Vancouver and Merritt, BC.

The art shown here [in the book] is a cohesive group, based on the image and history of her great-grandmother, Flora Nelson of Molanosa and Weyakwin, SK. These images and accompanying writing (not shown here) took years of research and gathering of oral history from the women of her family.

*[Ed.: Georgina is known for her commission work, murals, fountains and sculptural pieces. In recent years, Georgina had painted many bright & colourful paintings, many of which are owned by local residents & organizations. She had shown her paintings often at the Courthouse Arts Gallery & at Brambles. Artists of the NV is available for purchase at the Gallery.]*

**International Sarcasm** “Sarcasm will get you nowhere in life,” my boss told me. “Well it got me to the ‘International Sarcasm’ finals in Santiago, Chile in 2009,” I informed him. “Really?” he asked. “No,” I said.
