*A fire in an electrical transformer box, behind the City works yard, sent up billowing smoke early Sunday evening. BC Hydro & the Fire Dept attended, and worked into the night. No outage in the immediate area.*

## 'City Centre Improvement Plan' on the agenda

**Committee of the whole mtg, Sept 10**

The City of Merritt completed the *City Centre Improvement Plan* in July 2005, and established a City Centre Board for leadership, coordination and implementation of the plan. The City was successful in completing some of the initial initiatives identified in the plan and securing funding for implementation of some significant projects, including the Voght Street Bridge and Spirit Square.

The Plan's 2008 update was a 5-year plan, and now, 6 years after the end of its scope, City Council will re-visit it to determine whether it might be able to be modified and updated to meet the current Council's needs, or whether a new plan is required.

The meeting is open to the public, starts at 6pm, Council Chambers at City Hall.

## BC's 'Interior Forest Sector Renewal'

In the spring, the BC gov't announced a renewal of the province's Interior forest sector, aimed at creating a competitive, sustainable future for forest companies, workers and communities.

After years of higher salvage harvest levels when the pine beetle epidemic was at its peak, the sector is now facing significantly reduced timber supply and record wildfire seasons, as well as lower prices for western spruce, fir & pine lumber.

This Wednesday, Sept. 11, 6:30-9:30pm at the NVIT cafeteria, the Nicola Watershed Community Round Table invites residents to help complete the feedback worksheet, as part of the group's submission. The purpose of the public engagement is to gather feedback on what our future forest sector should look like, focusing on ways to maximize added-value production as part of wood fibre manufacturing.

FMI, check out [engage.gov.bc.ca/interiorforestrenewal](http://engage.gov.bc.ca/interiorforestrenewal) Feedback will be accepted until Oct. 11, 4pm. A report will be released in late fall, and further policy direction is expected in early 2020.

**My kids wanted to know** what it's like to be a mom, so I woke them up at 2 a.m. to let them know my sock came off.

**Daughter:** You're invading my personal space. **Mother:** You came out of my personal space. **Not sure** if I should be more concerned about the son who locked me out of my bedroom today or the one who showed me how to pick the lock.

## THIS WEEK'S HOROSCOPE

**Aries**

March 21 - April 19

Guardian angels are always dropping hints to help us along the way. Follow your heart this week... it's following heavenly advice.

**Taurus**

April 20 - May 20

Sometimes, a risk needs to be taken. In such a positive astrological climate, once a conversation has begun, you'll be in a much better position.

**Gemini**

May 21 - June 20

You have an opportunity to make a move. If you're clear, calm and sensible, any obstacles can be circumnavigated with surprising ease.

**Cancer**

June 21 - July 22

Challenges and controversies stimulate us. This week, be glad of everything in your world that is less than perfect. It holds hidden jewels.

**Leo**

July 23 - Aug 22

This week, listen to your heart. If something is making you anxious or fearful, you can safely ignore it for a while.

**Virgo**

Aug 23 - Sept 22

Your guardian angel is paying close attention this week. Consider carefully and then make a wish. What you're secretly hoping for can come true.

**Libra**

Sept 23 - Oct 22

If you're stuck this week, you have an advantage for which you should be very grateful. You can put stress into perspective this week.

**Scorpio**

Oct 23 - Nov 21

Find a way to forgive. People can make changes. And the only person who will be hurt by holding on to anger is you. You can move on this week.

**Sagittarius**

Nov 22 - Dec 21

If you embrace potential changes with your usual enthusiasm, and are ready to do things differently, the future is prepared to be different for you.

**Capricorn**

Dec 22 - Jan 19

Sometimes you do have to be cruel to be kind. You appear tough, but you've got a generous heart. Someone will benefit greatly from your kindness.

**Aquarius**

Jan 20 - Feb 18

Secrets can be difficult both to keep and share. This week, be sure that you want other people to know your business or be very discreet.

**Pisces**

Feb 19 - Mar 20

This week, confusion is likely, with no opportunity to set the record straight. Fortunately, there's a chance to clear the air, with a sweet result.
