Higher fines for not chaining up

Commercial truckers will now face higher fines for not carrying chains when required, as well as not installing them during mandatory chain ups on BC highways. Drivers will now be fined \$196 for not carrying chains when and where required, and \$598 for not installing chains during mandatory chain ups.

These fines will go into effect Oct. 1, 2019, when winter tire and chain-up regulations begin on most B.C. highways.

Watering restrictions relaxed

Late last week, the City relaxed its watering restrictions. Residents are now permitted to water up to 3 days per week, based on civic address. Odd numbered houses are permitted to water on Tuesday, Thursday & Saturday, and even numbered homes permitted to water on Monday, Wednesday & Friday.

Watering times are from 6-8am & 7-10pm. Those with automatic sprinkler systems are encouraged to water between midnight & 4am.

Washing cars and hand watering using a controlled flow nozzle is permitted at any time.

Barring a significant change in the weather pattern, all watering restrictions will be removed on September 30, in accordance with the City's Outdoor Watering Conservation policy.

"I am thrilled to see rain", said Mayor Linda Brown, "Though there was plenty of water in our aquifers, it was extremely concerning to see such limited flow in the Coldwater River. Whether it be flood or drought, water management will continue to be a priority for this Council".

Public info meeting: Effectiveness of watering restrictions

Through this process, the City received many questions about the effectiveness of watering restrictions, the health of our aquifers, and the actions that were being taken by water users outside the City of Merritt.

We understand the impetus for these questions and have arranged a meeting on October 1, 6pm at City Hall where Council will be discussing these questions and other groundwater matters with experts from the Fraser Basin Council, & Min. of Forests, Lands, Nat. Resource Operations, & Rural Dev't.

Get The Name Right BOSS: "What should we call this giant advertising board?" PHIL: "A philboard!" BILL: "No, wait... I have a better idea!"

"Snake! Run!" Two men are hiking through the woods when one of them cries out, "Snake! Run!" His companion laughs at him. "Oh, relax. It's only a baby," he says. "Don't you hear the rattle?"

THIS WEEK'S HOROSCOPE

Aries
March 21 - April 19

Since there are situations in your life which would benefit from transformation, seize the moment! This week, you can take something complicated and stressful, and simplify it.

Taurus
April 20 - May 20

It's time to look at the compromises you've made. If you've settled for something that's less than ideal, this is an opportunity to subtly change it so that you feel much happier.

Gemini
May 21 - June 20

You can see a simple way to resolve a difficult issue. The Equinox shows you the way to cut through the complexities and confusion. You know what to do...go for it!

Cancer
June 21 - July 22

This week, concentrate on where you are. If you take a moment, stop and take a look, you'll see that there's something (or someone) worth focusing on.

Leo
July 23 - Aug 22

Is there a real reason for a recent change of heart, or has someone undermined your confidence? The Equinox helps you to see what's what, and decide what to do for the best.

Virgo
Aug 23 - Sept 22

A situation has developed and you're struggling to work out where the truth lies. It's making you feel stressed, and clouding your judgment. The Equinox brings the clarity you need.

Libra
Sept 23 - Oct 22

You've made sacrifices. But there's a tangible reward for the work you've done. Yes, there's another challenge too, but it promises even more of a reward. If you need help - just ask.

Scorpio
Oct 23 - Nov 21

No matter how justified you feel, don't lay the blame for an exasperating situation on anyone else. Take responsibility, & you rise above the stress and achieve something satisfying.

Sagittarius
Nov 22 - Dec 21

What's about to happen is long overdue. If it's making you feel anxious, stop worrying. The Equinox signals a happier attitude and more successful route to the future.

Capricorn
Dec 22 - Jan 19

Don't fight yourself, you'll never win. This week events will convince you that you're doing the right thing. Self-encouragement is the key to success this week.

Aquarius
Jan 20 - Feb 18

Don't jump into action just to get things moving. The Equinox brings an opportunity to take the pressure off. It's okay to ask for help.

Pisces
Feb 19 - Mar 20

It's very hard to make someone act with kindness, but easy to make someone kind do something unkind. This week, be your very best. You'll be rewarded by life's kindly response to you.
