## Upper Nicola settles with Trans Mountain

The Upper Nicola Band — and Stk'emlupsemc te Secwepemc near Kamloops — dropped out of the Federal Court of Appeal litigation against the Trans Mountain expansion project.

"This is a significant step forward in establishing a relationship with a strong foundation for addressing environmental, archaeological and cultural heritage concerns that Upper Nicola has in relation to the Expansion Project. The Agreement provides resourcing to support Upper Nicola being more actively involved in emergency response and monitoring through the life of the Project. The Agreement supports the Parties to work together to avoid and mitigate impacts of the Expansion Project on Upper Nicola Interests and stewardship responsibilities within their Area of Responsibility. It also supports community members to take advantage of employment and contracting opportunities and benefits."

Chief Harvey McLeod said: "We look forward to working with Trans Mountain to implement this Agreement honourably and in good faith. We still have a number of significant issues that must be addressed directly with Canada. We continue to hold Canada to a consent-based approach consistent with the United Nations Declaration on the Rights of Indigenous Peoples. Canada still has a lot of work to do to recognize and respect Syilx title and rights, including our governance rights, and engage in consent-based dialogue with Upper Nicola and with our Nation".

**Nicola Nordic Ski Club AGM** Thurs. Nov 21, 7pm at the Courthouse Arts Gallery, 1840 Nicola Ave. Come & take part in the planning of another fantastic ski season.

**A Dark Tunnel** A pessimist sees a dark tunnel. An optimist sees light at the end of the tunnel. A realist sees a freight train. The train conductor sees three idiots standing on the track.

**To Lie Or Not To Lie** Mary was debating on the best way to drop her current boyfriend. Her friend ask: "Are you worried because you think he'll tell lies about you?" Mary answered: "I don't mind the lies, but if he ever tells the truth I will break his neck!"

## THIS WEEK'S HOROSCOPE

**Aries**  
March 21  
- April 19

If lasting happiness is our goal, we need to keep mentally, physically and spiritually active. Enjoy the adventures of the week, and you'll grow wiser as well as older.

**Taurus**  
April 20 -  
May 20

If you can find a way to compromise, you'll make greater gains at greater speed. You don't need to sacrifice your integrity either. Being gracious will take you far this week.

**Gemini**  
May 21 -  
June 20

Thankfully, a challenging phase you've been going through with someone close is coming to an end. Something needs to be released, then you can reshape a brighter future.

**Cancer**  
June 21 -  
July 22

This week there are possibilities to enjoy doing things you're obliged to do. And, to make the right thing happen, it must involve doing something that makes you happy!

**Leo**  
July 23 -  
Aug 22

You realize that you're in a situation you'd rather not be in, and can't find an easy way to extricate yourself. This week the situation will unfold so you can move onwards, & upwards.

**Virgo**  
Aug 23 -  
Sept 22

When we feed our insecurities, they grow so big that they destroy things that are secure. This week, focus on what's going on in the here and now. It's much better than you think.

**Libra**  
Sept 23 -  
Oct 22

This week you have exceptional insight, and the way to make sure that what you discover works to your advantage will be revealed. Keep an eye open for treasure.

**Scorpio**  
Oct 23 -  
Nov 21

This week, you get a boost of confidence to help you to process your recent experiences, so that you're clear about the direction you're going in. Things are about to get better.

**Sagittarius**  
Nov 22 -  
Dec 21

Be clear about what you need, and be careful about what you wish for. Magic is heading your way — use it wisely... and enjoy the gifts the week brings.

**Capricorn**  
Dec 22 -  
Jan 19

This week, one or two of the rules and regulations that have been stifling you can be (gently) broken! A new sense of freedom is possible.

**Aquarius**  
Jan 20 -  
Feb 18

This week, if you can find the discipline to calmly contemplate what's taking so much of your energy, you'll find a way to set something impossible right.

**Pisces**  
Feb 19 -  
Mar 20

You discover an ability you need, but thought you lacked. Now you can deal with the obstacle that's been preventing you from moving on.
