Joe Simpson

Joe Simpson passed away peacefully in Merritt, BC on November 12, 2019, aged 77 years.

He is survived by his wife Leann; children Bob & Shannon, Kelly & Trina, Cindy & Eric, Andy & Dana.; grandchildren Erynn, Alley, Coen, Kassie, Lizzy, Brendan, Joey, Jayden, Tyrell, Jared, Tanner, Josh; great grandchildren Catherine, Caleb, Jewls, Kelsey & Dreydan.

Sisters Dawn (Stan), Patsy (Dave), Betty (Ed); brothers Ernie (Laura), Dale (Donna), Glen (Cindy); many nieces and nephews, as well as many relatives and friends.

Predeceased by his parents Andy & Jean Simpson, and brother Chuck.

A Celebration of Life will be held, date & location to be announced.

Thoughts from outside the box My Captain

My Captain has survived as many years as I, and if not for his strength, every time I fell should've been the times of my demise. But every time I fell, he picked me up with his left and cleared the battlefield with his right. Without him, half a man I am, weak and as a drone.

My Captain has championed a thousand battles and defeated many enemies. Enemies like anger, memories, lust, pity, confusion, greed, constructed love, attachment, fear, sadness, and the selfish me. All of them are antagonists when they distract the time and space of the mind's community.

Like an unwanted army occupying a territory not theirs, the inner enemies can reconfigure the infrastructure—changing the influences that pressure the psyche.

But that's yet to happen. Mystically, my Captain loves to battle.

My Captain is my greatest natural asset, like diamonds to a freedom-fighter under threat. Nevertheless, as diamonds buried inside a mountain, my Captain is inconsequential until unearthed and nurtured.

Some have mistaken my Captain for the "will" within but the "will" is a metaphysical tool without intention—responsible only for administering motions already determined. The saying, where there's a "will" there's a way, is an inaccurate statement. It isn't the "will" that digs deep and magically pulls up energy when all energy seems depleted, that my Captain does. The "will" simply follows instructions.

The difference between first and second. The difference between the champion and the defeated. The greatest men and women were and are with a Hector-like Captain, and every man and woman has the potential to nurture such an ally.

My Captain, like yours, is The Light within. My Light within, like yours, can endure all afflictions. — Mike Bhangu, Amazon best-selling author

Something Unusual Cop: "Seen anything unusual?" Me: "A dolphin with a hat, once."

Cop: "I mean around here." Me: "Nah - they live in water."

Act Your Age When the new activities director for the rec center walked in, all us retirees quickly took notice. She was 20-something and gorgeous. My buddy whispered, "She makes me wish I was 30 years older." "Don't you mean 30 years younger?" I asked. "No. If I were 30 years younger, I'd still never have a chance with a woman like that. If I were 30 years older, it wouldn't bother me so much."

Letter to the editor Wow!

Good evening. Ev Cromarty lives at the Florentine Seniors home, and, wow, you should see her Christmas display outside of her apartment door — wow! She lives on the 4th floor, and this is something for a elderly lady to do every year. But she does it in hoping that all the other seniors that live there will enjoy it as well as have something to look forward to every day. Ev loves Christmas, and I just think this is such a beautiful thing she does every year.

She a beautiful lady inside and out.

Thank you, Louise McCarron

Transparency for fuel & gas prices

Oil and gas companies in BC will be forced to reveal to consumers how gas prices are set, as a result of new legislation that was introduced on Monday.

The fuel price transparency act will allow the BC Utilities Commission (BCUC) to collect info from oil & gas companies on the market conditions involved in setting gasoline prices, which will be made available to the public, and consumer & watchdog groups.

This act will require companies to share data on refined fuel imports & exports, fuel volumes at refineries & terminals, as well as wholesale & retail prices.
