## THIS WEEK'S HOROSCOPE

**Aries**  
March 21 - April 19

You might not be able to create a state of harmony this week; but you can find an ingenious way to differ - and that could lead to simple success!

**Taurus**  
April 20 - May 20

We tend to hold on tightly to acceptable emotions and push wilder feelings away. This week brings insight into your feelings about someone. That's the moment to act.

**Gemini**  
May 21 - June 20

As long as you're not stuck in a pessimistic frame of mind, this week's astrological climate brings you the equivalent of a lucky charm. Get your best smile ready. Your picture is positive.

**Cancer**  
June 21 - July 22

You're wondering if you're to blame for a difficult situation. Should you be apologising for something? But no one's perfect. If you can find the courage to walk tall, all will be well.

**Leo**  
July 23 - Aug 22

No need to be upset by anyone (or anything). Time to practise what you preach. As long as you stay tuned to your true feelings, you'll find the joyful freedom you deserve.

**Virgo**  
Aug 23 - Sept 22

Do you enjoy being stretched to the limits? This week, the New Moon highlights your own needs and offers you ways to fulfil them. If you're not enjoying something, try saying 'no'!

**Libra**  
Sept 23 - Oct 22

This week, you're able to advance at a much more adventurous speed. With so much cosmic encouragement, just make sure you're doing what you want to do.

**Scorpio**  
Oct 23 - Nov 21

In the midst of confusion comes a moment of extraordinary opportunity. If you're able to enjoy life not being as you expect it to be, you'll be delighted by what manifests.

**Sagittarius**  
Nov 22 - Dec 21

Is there a danger of having too much of a good thing? Or can you cast your worries to the side and enjoy yourself? Your enthusiasm will be generously rewarded.

**Capricorn**  
Dec 22 - Jan 19

There will always be someone unhappy with your choice. Although you can't please everyone, be confident that your best is more than good enough.

**Aquarius**  
Jan 20 - Feb 18

We can be amazed by an apparent lack of knowledge, but if you rid yourself of assumptions about other people's skills you can tap into a source of brilliance.

**Pisces**  
Feb 19 - Mar 20

This week, accept a situation for what it is. Once you've acknowledged it's happening, it will lose its power over you. Then you can move ahead in a positive direction.
