Family Literacy Week Jan 25-31

Bright Red Bookshelf

The *Bright Red Bookshelves* are an important part of Literacy Merritt & Nicola Valley programming, and have become a sought-out fixture in all their locations. Nearly 60 volunteers manage over 35 bookshelves in and around the Nicola Valley. The shelves make it easy to access free books. Children's books, in particular, fly off the shelves.

About a dozen shelves are managed by Junior Volunteers, ranging in age from 6 to 12. They are experts in choosing books that are sure to interest young readers.

You can support the shelves by donating books at the Cents game, on Saturday, January 25th, and the Family Magic Show, Friday, January 31st. Books are accepted at the Interior Savings branch or insurance office during Family Literacy Week, or at the Community Policing Office afterwards. Donations are cleaned, sorted and shelved at the Bright Red Bookshelf Library by a group of dedicated volunteers. For a list of bookshelf locations, visit literacymerritt.com

Kirsten Cleaveley (left) looks after the outdoor shelf at Diamondvale School, and Kelsey Cleaveley (right) does the outdoor shelf at Nicola Canford. They are avid readers and take great care in choosing a variety of books for their shelves.

Ukulele Circle

Despite the cold weather, the inaugural meeting of the Merritt Ukulele Circle got off to an excellent start last Thursday night, with six strummers attending.

The group is lead by Richard Lepinsky, who has recently moved to Merritt. He previously started and lead the Mission Ukulele Circle for 5 years.

The group meets on the 1st and 3rd Thursday of the month 7-9pm, at the Arts Council Offices, 1840 Nicola Ave. in Merritt.

Join the group for the next meeting on Thursday Feb. 6th at 7 pm. All ages and playing experience are welcome.

Bring your ukulele, a 3-ring binder for music, and a music stand if you have one. FMI, email Richard at percman54@gmail.com

Good Deed for Wife Deciding to give his wife a pleasant surprise, the husband took home some flowers and a box of candy. "Hazel, you look tired," he said to his wife. "Slip on your best outfit and let's go out to eat." Hazel bursts into tears. "It was bad enough to have the baby fall down the back steps and burn my hand in the kitchen," she sobbed, "but to have you come home intoxicated is just too much!"

I stumbled upon an Elk with no name... it was Anonymoose

THIS WEEK'S HOROSCOPE

Aries
March 21 - April 19

Find a way to forgive. People do change. But even if not, there's little point to holding on to your resentment. This week, letting go will change a situation, and heal the hurt in you.

Taurus
April 20 - May 20

If you're out of your comfort zone into a place where you feel vulnerable, why not decide to give everything your best shot & see what happens. It could change your whole approach

Gemini
May 21 - June 20

This week, you have no choice but to think creatively and make spontaneous decisions. Just trust your intuition. It's going to take you exactly where you need to be.

Cancer
June 21 - July 22

As you view a key relationship in a new light, revelations will come that will reinforce your recent discoveries. These will give you the peace of mind you've been missing.

Leo
July 23 - Aug 22

Leo, you know that pride and generosity sometimes bring challenges. This week, as your ruling planet, the Sun, enters innovative Aquarius, trust your instincts.

Virgo
Aug 23 - Sept 22

If only we could feel optimistic in the face of every challenge. This week, as the cosmos presents you with an innovative opportunity, take it! It opens doors that have been locked for too long.

Libra
Sept 23 - Oct 22

Stop worrying about an issue that seems to have spun out of your control. Take the time to step back and allow it to keep spinning. The pressure is about to be relieved in a very good way.

Scorpio
Oct 23 - Nov 21

You can't have everything exactly when you need it. Yet as you wait, the choices you're forced to make will become the stepping-stones leading to your ideal future.

Sagittarius
Nov 22 - Dec 21

Someone who you suspect is going out of their way to confuse things. The way to gloriously emerge into clear sunshine is to stick to what makes sense to you.

Capricorn
Dec 22 - Jan 19

It's okay not to feel good, and right to find something wrong. Although you're in the middle of a challenging drama, a helpful change of scene is due this week. And the ending is happy.

Aquarius
Jan 20 - Feb 18

This week, your priorities will be reshaped. As long as you pick the right goals, for the right reasons, there's no reason why you can't make the right kind of progress.

Pisces
Feb 19 - Mar 20

Although you're being asked for your support, rather than piling in, your best option is to offer your wisdom. You've got lots more of that than you think.
